Londonderry, New Hampshire

1972

TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Londonderry in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Central School in said Londonderry on Tuesday, the Sixth day of March, next at seven of the clock in the forenoon, to act upon the following subjects:

ARTICLE

1. To choose all necessary Town Officers for the year ensuing.

ARTICLE

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE

4. To see if the Town will vote to authorize the Selectmen to sell at Public Auction, property acquired by the Town through Tax Collector's Deeds.

ARTICLE

5. To see if the Town will vote to accept State Aid for the Construction of Class V roads, and to raise and set aside for said purposes the sum of \$1,821.76 and the State to contribute the sum of \$12,145.08.

ARTICLE

6. To see if the Town will vote to accept the following Trust Funds:

Edward W. Currier	\$200.00
Leon Currier	200.00
William Boles, Jr.	200.00

ARTICLE

7. To see if the Town will vote by Ballot to authorize the Selectmen to appoint a Highway Agent. This vote shall continue in effect until changed by major vote at a subsequent Annual or Special Meeting. (RSA 245:6).

ARTICLE

8. To see if the Town will vote to authorize the Selectmen to negotiate for and purchase forty-nine (49) acres of land identified as lot #56 and 58 on the tax map #9 of the Town of Londonderry, for public outdoor recreation purposes. Said acquisition to be contingent upon Federal Funds. Total purchase price of \$24,500 to be reduced by one half of the value of the land as determined by an appraisal done to Federal specifications.

ARTICLE

9. To see if the Town will accept State Aid in the sum of \$29,500 and raise and set aside the sum of \$29,500 to be used for the construction of the Hall Road Bridge.

ARTICLE

10. To see if the Town will accept State Aid in the sum of \$4,500 and raise and set aside the sum of \$4,500 to be used for the construction of a temporary bridge while the permanent bridge is being built.

ARTICLE

11. To see if the Town will vote to appropriate the sum of twenty thousand dollars (\$20,000.00) for the purpose of hiring an architect to design

a multipurpose Town Hall and also to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE

12. To see if the Town will vote to authorize the Selectmen to negotiate and execute an agreement with the City of Manchester under which Manchester will receive and treat sewage from the Town of Londonderry at such time as Manchester completes construction of facilities therefore, and to raise and appropriate a sum not to exceed \$3,000.00 to be used for legal, engineering, and accounting services in connection with such negotiations.

ARTICLE

13. To see if the Town will vote to appropriate a sum not to exceed \$58,000.00 for land acquisition, final engineering design, and preparation of construction plans and specifications for sewerage in North Londonderry, including necessary surveys, and borings, and to determine whether any such appropriation will be raised by borrowing according to the Municipal Finance Act, and in the event that said money is to be raised by borrowing, to authorize the Selectmen to negotiate the terms and conditions of the notes or bonds to be issued and to do any other act necessary to carry out the intent of this article.

ARTICLE

14. To see if the Town will vote to appropriate a sum not to exceed \$23,000.00 for land acquisition, final engineering design, and preparation of construction plans and specifications for sewerage of the Grenier Industrial Village area in North Londonderry, including necessary surveys and borings, and to determine whether any such appropriation will be raised by borrowing according to the Municipal Finance Act, and in the event that said money is to be raised by borrowing, to authorize the Selectmen to negotiate the terms and conditions of the notes or bonds to be issued and to do any other act necessary to carry out the intent of this article.

ARTICLE

15. To see if the Town will vote to reclassify Otterson Road from a Class 6 Highway to a Class 5 Highway from its junction with Hardy Road westerly to the west side of King Henry Drive as shown on the Londonderry Tax Map 9.

ARTICLE

16. To see if the Town will raise and appropriate a sum of money not exceeding Sixteen Hundred (\$1,600) Dollars for the purpose of widening, graveling, making other necessary repairs and plowing snow on the highway known as Kelley Road, from the property now or formerly known as the Old Kelley Farm, to the property of Beverly W. Barry and Paul Beal, and pass any vote relating thereto.

By Petition of William J. Barry & Paul S. Beal.

ARTICLE

17. To see if the Town will vote to reclassify the Highway known as Kelley Road from a Class 6 Highway to a Class 5 Highway from a point 20 rods south of the dwelling now or formerly of William F. Kelley, then southerly to the property line now or formerly of William or Beverly Barry (Lot 33) and Paul Beal (Lot 34) as shown on Londonderry Tax Map #12.

ARTICLE

18. To see if the Town will vote to become a member of the Southern New Hampshire Planning Commission. The Commission has a membership of five (5) of the municipalities in the Metropolitan area. The objective of the Commission is to plan for the encouragement of regional planning

analysis, provide consensus on major problems of regional concern, and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency will have no jurisdiction over any matter of local affairs. It will be purely advisory. Two members of the regional planning agency shall be from Londonderry to be appointed by the Selectmen. A YES vote is in favor of joining the regional planning agency.

ARTICLE

19. To see if the Town will vote to appropriate the sum of \$.35 per capita (a total of \$1,871.10) as dues to become a member of the Southern New Hampshire Planning Commission for the year ending June 30, 1974.

ARTICLE

20. To see if the Town will vote to authorize the Londonderry Conservation Commission to operate a Forest Management Program on Town owned property located Mountain Home Road, Londonderry Tax Map 9, Parcels 10 & 11.

ARTICLE

21. To see if the Town of Londonderry will vote to amend the Zoning Ordinance Chapter I Section III to read:

Section III Residential District

A. The purpose of this district is to establish low-density residential areas located on land suitable for building development and so located to form neighborhood areas within the Town. Any residential or agricultural buildings existing at the time of enactment of this ordinance shall be considered as conforming to the provisions of this ordinance.

B. The Following provisions apply in this district:

1. **Permitted uses** — single family detached and two-family dwellings; multi-family dwellings; agriculture; church, school, and other public facility; recreation and conservation; home occupations and offices; and accessory buildings.

2. **Residential DENSITY** — The maximum permitted residential density shall be 1 acre (43,560 square feet) per single-family dwelling, 50,000 square feet per two family dwelling, and 1 acre for the first multi-family dwelling unit and a minimum 5,000 square feet for each additional such unit.

3. **Methods of Residential Land Allocation** — residential development within this District is permitted according to either of the following two methods:

a. Sub-division by minimum lot size.

1. **Minimum Land Area** — No residential lots shall be less than one acre except where the lot is served by a public water supply and a public sewerage system in which case an area of at least fifteen thousand (15,000) square feet shall be required. A residence may be constructed on a lot of record at the time this Ordinance becomes effective regardless of the area or width of the lot.

2. **Frontage.** Every Building lot shall have a minimum lot frontage of 150 feet.

3. **Front Yard.** There shall be between the edge of any building a minimum depth of 40 feet.

4. **Side Yard.** No building shall be located nearer than 15 feet from the side property lines.

5. **Back Yard.** There shall be between the extreme back of any building and the rear property line a minimum depth of 15 feet.

b. Sub-division by Cluster.

1. The purpose of openspace / cluster shall be to promote the conservation of the natural environment and the development of community uses in harmony with the natural features of the land, to provide a diversity of housing environments and recreation and open space used as well as efficient use of land, streets and utility systems.
2. Open Space / Cluster development shall meet the overall density of the zone with the provisions that residential lots may be composed of two (2) parts, i.e. the area intended for (or occupied by) the building and a proportionate part of jointly owned open space.
3. The conceptual plan shall be compatible with the purpose stated and prepared (or evaluated and approved by) a professional land use planner acceptable to the Planning Board.
4. The tract of land of single or consolidated ownership shall include a minimum of fifteen (15) acres.
5. Net tract area is defined as the total land area excluding wetlands as well as all roads (public and private.)
6. The maximum number of dwelling units shall be determined by applying to the net tract area (see para. 5), the residential density factors otherwise invoked by Section III.
7. A minimum of twenty (20) percent of the net tract area shall be set aside as common open space.
8. Common Open Space shall be restricted to recreational, conservation, and utility (except lagoon, or above ground mechanical sewerage disposal or treatment areas) uses — its location, accessibility, orientation and variety of use shall be subject to Planning Board approval.
9. Such common open space shall be covenanted, leased, or conveyed to be maintained as permanent open space at the discretion of the Planning Board; the open space may be deeded to the town or protected by easements granted to the town. The terms of such easement, covenant, lease or other conveyance must include provisions suitable to the Planning Board for guaranteeing:
 - a. the continued use of such land for the intended purposes.
 - b. continuity of proper maintenance for those portions of the open space land requiring maintenance.
 - c. when appropriate, the availability of funds required for such maintenance.
 - d. adequate insurance protection.
 - e. recovery for loss sustained by casualty, condemnation or otherwise and
 - f. in the case of a homeowners association or other similar form of ownership, that the membership and obligation of the residents of the Cluster Open Space Development be automatic upon the conveyance of title or lease to individual dwelling units.
10. The applicant must file at the Rockingham County Registry of Deeds at the time the approved final subdivision map is filed, legal documents which will produce the guarantee described and contained in paragraph 9 above and in particular, will provide a method for restricting the use of Common Open Space for the designated purposes.
11. Structures shall be located no closer than two hundred (200) feet of any existing residential development.

ARTICLE

22. To see whether the Town of Londonderry will vote to amend the zoning ordinance Chapter 1 Section G to read:

4. WITHOUT a town water supply and a town sewerage system, conversion of existing residences or construction of new multi-family residences shall comply with the following:

a. Any building which includes two or more dwelling units is a multi-family residence.

b. Multi-family residences shall be restricted to a multi-family development where the subdivision and building plans have been approved by the Planning Board and the Building Inspector.

c. Multi-family developments shall have a minimum of 400 feet on one of the following roads: Route 128, Mammoth Road; Route 102 (Nashua Road, Old Nashua Road (south of Route 102 and west of Route 128), Route 28 and Grenier Field Road; with a depth limitation perpendicular to the frontage of 1,500 (one thousand five hundred) feet.

d. A multi-family development shall include a minimum of 10 acres.

e. Minimum lot size per building — one acre for the first dwelling unit plus 5000 square feet for each additional dwelling unit — cluster development is acceptable provided the total land area and all other requirements of the district are met.

f. A building shall contain no more than 8 dwelling units.

g. Building height shall be limited to two stories above ground level.

h. A sewerage disposal plan shall be approved and signed by the New Hampshire Water Supply and Pollution Control Commission.

i. In addition to the lot size requirement (para. c), open space (excluding parking, travel, turning areas, accessory buildings, service areas, walks, etc.) shall be provided and developed for recreational use per the following table:

- 1 Bedroom & Studio units, 800 Sq. ft. per unit
- 2 Bedroom units, 1000 Sq. ft. per unit
- 3 Bedroom units, 1500 Sq. ft. per unit
- 4 Bedroom units, 2000 Sq. ft. per unit

j. Two family dwellings are exempt from the requirements of para. 4 (a thru i) provided the lot includes 50,000 square feet minimum and the building will be owner occupied.

k. Nothing contained in this amendment to the zoning ordinance shall require any change in the plans, construction or use of the land and buildings, for which plan have been approved and recorded in the Registry of Deeds, and funds expended and development has been lawfully commenced pursuant to such plans, as of the date of posting of the notice of the 1st public meeting (April 8, 1971).

5. WITH a town water supply and a town sewerage system, conversion of existing residences or construction of new multi-family residences shall comply with the following:

a. Minimum lot size per building — 15,000 square feet for the first dwelling unit plus 2000 square feet for each additional dwelling unit.

b. A multi-family development shall include a minimum of 5 acres.

c. Minimum lot frontage shall be 100 feet.

d. A building shall contain no more than 12 dwelling units.

e. Two family dwellings are exempt from para. 5 (a thru c) provided the lot includes 25,000 square feet minimum and the building will be owner occupied.

6. No privies, cesspools, septic tanks or sewage areas shall be constructed less than 75 feet from the edge of a public water body, from a well, or from a dwelling other than that to which it is appurtenant.

7. No owner or occupant of land shall permit fire or other ruins to be left, but shall remove same within two years. If the owner is unable to carry out these provisions the town shall have the power to remove or dispose of same.

8. For the purpose of this Ordinance, house trailers and mobile homes shall be considered as residences.

9. Any person may maintain as office or carry on a customary home occupation in the dwelling house used by him as his private residence provided such use does not involve an extension or modification of said dwelling.

10. Residences and land area may be used by the owners or tenants for home occupations, business or professional offices, and such other commercial or agricultural uses as may be desired, provided that such use does not create a public nuisance nor materially reduce the property valuations with the adjacent areas.

ARTICLE

23. To see if the Town of Londonderry will vote to amend the zoning ordinance Chapter 1 Section III G-9 by deleting it and inserting as a new Section III G-9 or Section III B4-i as applicable the following:

In addition to the lot size requirement (para. 5 or c), open space (excluding parking, travel, turning areas, accessory buildings, service areas, walks, etc.) shall be provided and developed for recreational use per the following table:

- 1 Bedroom or studio units, 3,000 Sq. ft. per unit
- 2 Bedroom units, 5,000 Sq. ft. per unit
- 3 Bedroom units, 7,000 Sq. ft. per unit

ARTICLE

24. To see if the Town of Londonderry will vote to amend the zoning ordinance by adding the following described property to the Industrial district: Beginning on the north side of Grenier Field Road opposite the intersection of Grenier Field Road and Webster Lane, running north on Grenier Field Road and Harvey Road to the present Industrial District and land extending east along such line to the southeast corner of said land, then south southwest to the point of beginning, as shown on the Town of Londonderry Zoning Map.

ARTICLE

25. To see if the Town of Londonderry will vote to amend the zoning ordinance by adopting R.S.A. 36-19-a: Further Power of Planning Boards — to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site.

ARTICLE

26. To see if the Town of Londonderry will vote to amend the zoning ordinance by deleting Section XIII-B4 and 5 as follows:

B-4 Permit an industry in other than the industrial area which at a public hearing proves it can meet the following requirements:

- a. Any such building shall be located at least 50 feet from the edge of any right of way, and not less than 20 feet from each side and rear boundary.
- b. Provide adequate parking facilities for freight and delivery trucks and employee parking.

c. Will not offend by reason of the emission of smoke, dust, gas, odor or fumes.

B-5 Permit a commercial use which at a public hearing proves it can meet the following requirements:

a. Any such building shall be located at least 50 feet from the edge of any right of way and not less than 15 feet from each side and rear boundary.

b. Provide adequate parking facilities to accommodate vehicles attracted by the business.

c. Not create a public nuisance nor materially reduce the valuations of surrounding properties.

ARTICLE

27. To see if the Town will vote to amend the Zoning Ordinance of the Town of Londonderry, as heretofore amended by deleting the Sign Ordinance in its entirety and substituting the following: Chapter 1-Section XIX SIGNS.

1. DEFINITIONS

In this section the following terms shall have the following respective meanings:

A. Sign: A sign shall include any lettering, word, numeral, emblem, design, device, trademark, drawing, picture, flag, pennant, streamer, or other object or whatever material or method of construction and however displayed whether being a structure or any part thereof, a building or other structure or object and used to indicate, announce, direct, attract, advertise or promote.

B. Accessory Sign: Any sign, which with respect to the premises on which it is located, indicates, calls attention to or advertises either the person occupying the premises on which it is located, or the business or activity being conducted on such premises, or which advertises the sale, rental or lease of the premises or any part thereof, and which contains no other advertising of any kind.

C. Non-Accessory Sign: Any sign other than an accessory sign as herein defined.

D. Building Sign: Any outdoor sign affixed to or painted on or in any manner supported by or forming a part of the exterior of a building and any sign visible through a window of a building.

E. Ground Sign: Any sign other than a building sign as herein defined.

2. ACCESSORY SIGNS — The following requirements are applicable to all accessory signs.

A. Accessory signs are permitted without specific approval when such signs are installed and maintained in compliance with Para. 2B to 2I inclusive.

B. Maximum surface area applicable to signs facing Town roads shall be sixteen (16) square feet and for State roads thirty-two (32) square feet.

B-1 When a sign composed of separate letters is affixed to the wall of a building, the area shall be deemed to be the area of a rectangle enclosing and touching the extreme limits of the sign including any structural parts thereof.

B-2 Building signs affixed to, suspended from or incorporated as a part of a building and positioned parallel to the wall of the building shall not exceed ten (10) percent of the area of that wall.

C. Maximum height above the average grade of the lot on which the sign is erected shall be twenty (20) feet. Height includes the sign and its appurtenant structure.

D. No sign shall be erected at or near the intersection of any streets or of a street and driveway in such manner as to obstruct free and clear vision, or erected at any location where by reason of the position, shape, color, illumination or wording, the sign may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device or otherwise constitute a hazard to pedestrian or vehicular traffic because of intensity or direction of illumination.

E. Flashing, moving or animated signs or signs designed to attract attention by a change in light intensity or by repeated motion are prohibited.

F. No sign shall be affixed to or form a part of any cupola, tower, spire, chimney, enclosure or other object or structure located on or above the roof of any building.

G. Signs must be durably constructed, solidly erected and maintained to insure safety and attractiveness.

H. Where applicable the requirement of the Town Ordinance, re, Building Code is included in this ordinance.

I. Except as herein specifically stated the requirements of this ordinance are equally applicable to both building and ground signs and to all zoning districts.

3. NON-ACCESSORY SIGNS — The following requirements are applicable to all non-accessory signs:

A. Non-accessory signs are prohibited except as permitted by the Board of Adjustment.

B. The Board of Adjustment, with the advice of the Planning Board and approval of the Board of Selectmen may permit the erection, display and maintenance of a non-accessory sign when it determines that the nature and use of the premises is such that a sign should be permitted in the public interest.

C. In granting such permission, all requirements for accessory signs are applicable and the Board of Adjustment shall impose such other terms and restrictions as it may deem to be in the public interest.

4. EXEMPTED SIGNS

The provisions of this section shall not apply to the following signs:

A. Any sign which is required or authorized by any law, rule, regulation or permit of the federal or state governments or any agency thereof or any public authority created thereby.

B. Any sign erected or placed on any Town premises under the provisions of any Town Ordinance or Building Code or by direction or order of the Town Board or Committee having lawful jurisdiction over such premises.

C. Non-conforming signs as defined in section 5 of this ordinance.

D. Any sign not exceeding 4 square feet in area, limited solely to directing traffic within a parking area or indicating parking restrictions in the use of such parking area.

E. Any sign, not exceeding one square foot in area, marking or identifying privately owned land.

F. Customary signs on gasoline pumps indicating in usual size and form the name and type of gasoline and the price thereof.

G. Holiday decorations and lights when in season.

5. NON-CONFORMING SIGNS

A. Any non-accessory sign legally erected prior to the adoption of this by-law may continue to be maintained for a period of not longer than five years after the effective date of this by-law. Any other non-conforming sign legally erected prior to the adoption of this by-law may continue to be maintained, provided, however, that no such sign shall be

of this by-law and provided further that any such sign which has been destroyed or damaged to such an extent that the cost of restoration would exceed thirty-five percent of the replacement value of the sign at the time of the destruction or damage, shall not be repaired or rebuilt or altered except in accordance with the provisions of this by-law.

B. The exemption herein granted shall terminate with respect to any sign which (1) shall have been abandoned; (2) advertises or calls attention to any products, businesses or activities which are no longer carried on or sold for at least sixty (60) days; or (3) shall not have been repaired or properly maintained within sixty (60) days after notice to that effect has been given by the Building Inspector.

6. TEMPORARY SIGNS

In particular instances the Board of Selectmen may grant special permits for the erection and display of temporary signs subject to the following conditions:

A. To any charitable, religious, scientific, literary, educational, fraternal, civic or other similar non-profit organization or association, a temporary sign advertising any function or activity of the applicant which will be open to the public, provided that the permit for such sign shall be for a stated period of time not exceeding 30 days.

B. Applications for temporary signs shall be in such form as the Selectmen shall determine and shall contain a description of the sign, including the size, height, material, color, wording, and supporting structure, and the proposed location and inclusive dates of display. In granting any such permit the Selectmen shall specify the inclusive dates of the effective term thereof and may impose such further restrictions and conditions as they may deem to be in the public interest.

7. PERTINENCE TO OTHER LAWS

A. All signs shall be subject to any and all other applicable Ordinances and regulations of the Town of Londonderry and the State of New Hampshire.

B. In the case of redundant provisions, the requirement which imposes the greater restriction or higher standard shall govern.

ARTICLE

28. To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, as submitted to the Planning Board by petition.

To add to the Commercial Districts of the Town of Londonderry under SECTION VII as set forth in Zoning Ordinance, Town of Londonderry, New Hampshire, dated 1971, the following parcel of land:

A certain parcel of land with the buildings thereon situated on the Northerly side of Route 102 in said Londonderry, and being shown as Lot #7-40 on plan entitled "Plan of Land in Londonderry, New Hampshire, as drawn for Charles and Marion Anderson, May 1972" Edward N. Herbert, Surveyor, recorded in the Rockingham County Registry of Deeds as plan #D 3126, and approved by the Londonderry Planning Board on June 14, 1972, and according to which plan said parcel is more particularly bounded and described as follows:

Beginning at an iron pin at the end of a stone wall on the Northerly side of said Route 102 at the Southeasterly corner of the within conveyed premises and at land now or formerly of Wahoo Enterprises; thence South 48° 45' West by the Northerly line of said Route 102, one thousand seven hundred seventy-eight (1778) feet to a point at Lot #7-40-1 on above plan and now of Charles Anderson, Jr., said point being one hundred fifty (150) feet North 48° 45' East along Route 102 from a stone wall at land of John Brennan; thence North 31° West by said Lot #7-40-1 two hundred sixty (260) feet to a point; thence South 59° West still by said Lot #7-40-1

four hundred twenty-eight (428) feet to a point at land of Roscoe Smith; thence North 28° 45' West by said Smith land one thousand sixty-six (1066) feet to a point in a stone wall at land of CCM Inc.; thence South 88° 45' East by said stone wall one hundred sixty-five (165) feet to a stake and stones; thence North 52° 30' East by land of Wahoo Enterprises and others one thousand eight hundred sixty and 60/100ths (1860.60) feet to a point in a stone wall at other land of said Wahoo Enterprises; thence South 39° 05' East by land of said Wahoo Enterprises and other owners six hundred seven and 35/100ths (607.35) feet to a point in said stone wall; thence South 37° 40' East still by said stone wall five hundred thirty-three and 43/100ths (533.43) feet to the point of beginning, containing 54 acres, more or less.

ARTICLE

29. To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, as submitted to the Planning Board by petition.

To add to the Commercial Districts of the Town a parcel of land of Four (4) acres, more or less, on the Northerly side of Route 102 bordered by Mammoth Road on the West and Buttrick Road on the East in said Londonderry.

Also known as Lot No. 72 on Tax Map No. 6, owned by John T. Griffin and Anne G. Griffin.

Map 14 Parcel 11

ARTICLE

31. To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, as submitted to the Planning Board by petition.

Amend Chapter One of the Zoning Ordinances by adding the following thereto:

XVIII Mobile Home Parks

Mobile home parks may be constructed in any zone in which residences are permitted by special exception granted by the Board of Adjustment when it appears that the specific site is an appropriate location for such use, that there will be no undue nuisance or serious hazard to vehicular or pedestrian traffic and adequate and appropriate facilities will be provided to ensure the proper operation of the proposed use. The Board, in approving a special exception, may impose additional restrictions as to lot sizes, lay out and extent of facilities to ensure that the criterias of the special exception will be met."

ARTICLE

32. To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, as submitted to the Planning Board by petition.

Are you in favor of the adoption of Amendment No. ——— as proposed by petition of the voters for the Town of Londonderry, New Hampshire.

That all cluster subdivisions will have a minimum lot size for each single family residence of (1) one acre and a minimum frontage of (150) one hundred and fifty feet.

ARTICLE

33. To see if the Town will vote to adopt the following amendment to the Zoning Ordinance, as submitted to the Planning Board by petition.

To see if the Town will adopt the following amendment to the Building Code as Chapter IV, Section IV, paragraph M to be added as submitted to the Londonderry Planning Board by petition on January 10, 1973 in accordance with the provisions of R.S.A. 31:63-b.

M. That for each (1) one unit of multi-family residence containing more than (1) one bedroom or rooms normally used as bedrooms that (5) five units of single bedroom residence be constructed within the same development or subdivision.

Chapter I — Section XIX — SIGNS

1. DEFINITIONS

In this Section the following terms shall have the following respective meanings:

A. Sign: A sign shall include any lettering, word, numeral, emblem, design, device, trademark, drawing picture, flag, pennant, streamer, or other object of whatever material or method of construction and however displayed whether being a structure or any part thereof, a building or other structure or object and used to indicate, announce, direct, attract, advertise or promote.

B. Accessory Sign: Any sign, which with respect to the premises on which it is located, indicates, calls attention to or advertises either the person occupying the premises on which it is located, or the business or activity being conducted on such premises, or which advertises the sale, rental or lease of the premises or any part thereof, and which contains no other advertising matter of any kind.

C. Non-Accessory Sign: Any sign other than an accessory sign as herein defined.

D. Building Sign: Any outdoor sign affixed to or painted on or in any manner supported by or forming a part of the exterior of a building and any sign visible through a window of a building.

E. Ground Sign: Any sign other than a building sign as herein defined.

2. REGULATION OF SIGNS IN RESIDENTIAL/AGRICULTURAL DISTRICTS

No sign shall be permitted in any residential/agricultural district except accessory signs complying with the following requirements:

A. One ground sign and/or one building sign on each lot indicating one or more of the following:

- (1) name of the owner or occupant,
- (2) identifying name of the premises,
- (3) street address,
- (4) profession or activity being lawfully conducted on the premises.

B. A ground sign shall not exceed two square feet in area nor ten feet in height, except that if a profession or activity is indicated, the area shall not exceed four square feet.

C. A building sign shall be of the name-plate type affixed parallel to a wall of a building, not exceeding one square foot in area, and located not more than five feet above the ground floor.

D. In the case of an allowable or permissive use under the provisions of Section , the Board of Adjustment in a particular instance may grant a special permit for a sign not exceeding 15 square feet in area nor 12 feet in height in accordance with the procedures under Paragraph 7 of this Section.

E. One unlighted temporary ground sign on each lot which advertises the sale, rental or lease of the premises or any part thereof. Such sign shall not exceed 8 square feet in area and shall be removed promptly after such sale, rental or lease has been effected.

F. One unlighted temporary ground sign on each lot which advertises the name and address of the owner, architect, engineer, and/or contractor responsible for any construction on the premises. Such a sign shall not exceed 12 square feet in area and shall be removed promptly after the completion of such construction.

G. Memorial sign or tablet denoting the name of a building and date of erection when cut into any masonry surface or when made of bronze or other non-combustible material.

H. One unlighted temporary ground sign located in a residential subdivision of six or more approved lots, and not exceeding 40 square feet in area, which advertises the development and/or the sale, rental or lease of the individual lots therein, provided that a special permit for such sign has been granted by the Board of Selectmen in accordance with Paragraph 10 hereof. Any such permit shall be for a stated period of time not exceeding one year and may be renewed for successive periods not exceeding one year each.

I. No accessory sign shall be illuminated except by a white, steady stationary light shielded and directed solely at the sign.

J. Non-accessory signs are prohibited in Residential/Agricultural Districts.

3. REGULATION OF SIGNS IN COMMERCIAL DISTRICT

No sign shall be permitted in a Commercial District except those permitted in Residential/Agricultural Districts and except accessory signs complying with the following requirements:

A. Locations

(1) An accessory building sign affixed parallel to the wall of a building, and not extending beyond the face of such wall, horizontally or vertically, nor projecting out from such wall more than 12 inches.

(2) An accessory building sign affixed perpendicular to the wall of a building, and not extending above the top of such wall or projecting out from the face of the wall more than six feet, provided that a permit therefor has been granted by the Board of Adjustment under the procedures of paragraph 7 hereof.

(3) No sign shall be affixed to or form a part of the roof of any building or be affixed to or form a part of any cupola, tower, spire, chimney, enclosure or other object or structure located on or above the roof of any building.

(4) No ground signs shall be permitted except as follows:

a. Accessory ground signs, permits for which have been granted by the Board of Adjustment in accordance with the provisions of paragraph 7 hereof.

b. A temporary unlighted ground sign placed on the premises during the construction of a building identifying the building, the owner, the contractors, the architects or the engineers, provided that such sign shall not exceed 15 square feet in area, shall be set back at least 20 feet from any lot line and shall be removed promptly after completion of the building.

B. Size

(1) No sign shall exceed 30 square feet in area except that in particular instances the Board of Adjustment may grant a special permit for a building sign not exceeding 60 square feet in area under the procedures of paragraph 7 hereof.

(2) In the case of a sign composed of separate letters affixed to the wall of a building, the area shall be deemed to be the area of a rectangle enclosing and touching the extreme limits of the sign including any structural parts thereof.

C. Number

(1) One accessory building sign for each business establishment consisting of a single building, except that if such building has more than one public entrance, a secondary sign may be affixed to each wall in which such entrance is located other than the wall on which the principal sign is affixed. Such secondary sign shall not exceed 50 per cent of the area of the principal sign.

(2) One accessory building sign for each business establishment in a building having two or more such establishments, provided that such establishment has a separate public entrance to its premises and that such sign is affixed to that portion of a wall which forms a part of the enclosure of such premises.

(3) One directory sign of the business establishments occupying a building having a common public entrance, which sign shall be affixed parallel to the wall of the building at such public entrance. Such directory sign shall not exceed an area determined on the basis of one square foot for each establishment in the building.

(4) One accessory ground sign on each lot provided that a special permit therefor is granted by the Board of Adjustment under the provisions of paragraph 7 hereof.

D. Accessory ground signs

In particular instances the Board of Adjustment may grant a special permit for the installation of an accessory ground sign if it shall find that the nature and use of the premises or the location of the building with reference to the street or streets is such that a ground sign or signs may be permitted in harmony with the general purpose and intent of this Section, subject to the following requirements:

(1) No such sign shall exceed 20 square feet in area, or 6 feet in any dimension or 12 feet in height measured from the ground to the top of the sign.

(2) No such sign shall be located within 10 feet of any street or lot line nor within 30 feet of any residence zone.

(3) In granting any such permit the Board shall specify the size, height, type and location of the sign and impose such other terms, restrictions and conditions as it may deem to be in the public interest.

4. REGULATION OF SIGNS IN INDUSTRIAL AND INDUSTRIAL PARK DISTRICTS

No sign shall be permitted in an Industrial or Industrial Park District except those permitted in Residential/Agricultural Districts and except accessory signs complying with the following requirements:

A. Building signs affixed to, suspended from or incorporated as a part of a building, positioned parallel to the wall of the building and not extending beyond the face of such wall horizontally or vertically nor projecting out from such wall more than twelve (12) inches provided that the total area of signs on a wall shall not exceed ten (10) percent of the area of that wall. One accessory ground sign for each 200 feet, or fraction thereof, of lot frontage on the principal street, provided that the total area of all such signs shall not exceed fifty (50) square feet for each such unit of frontage. No such signs shall be located nearer to the street line than the minimum setback distance required for a building on the same lot.

B. No sign shall be affixed to or form a part of the roof of any building or be affixed to or form a part of any cupola, tower, spire, chimney, en-

closure or other object or structure located on or above the roof of any building.

C. In the case of a sign composed of separate letters affixed to the wall of a building, area shall be deemed to be the area of a rectangle enclosing and touching the extreme limits of the sign including any structural parts thereof.

5. PROHIBITED SIGNS

A. Any sign not expressly permitted or exempted under this Section is prohibited.

B. No sign shall be erected at or near the intersection of any streets or of a street and driveway in such manner as to obstruct free and clear vision, or erected at any location where, by reason of the position, shape, color, illumination or wording, the sign may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device or otherwise constitute a hazard to pedestrian or vehicular traffic because of intensity or direction of illumination.

C. Flashing, moving or animated signs or signs designed to attract attention by a change in light intensity or by repeated motion are prohibited in all zoning districts.

D. The provisions of this paragraph 5 shall apply not only to exterior signs but also to interior signs that are designed or placed so as to shine through windows and doors of any building.

6. NON-ACCESSORY SIGNS

Notwithstanding the foregoing, in particular instances, the Board of Adjustment, upon petition, in accordance with the procedures under paragraph 7 of this Section and with the advice of the Planning Board and the approval of the Board of Selectmen, may permit the erection, display and maintenance of a non-accessory sign in commercial or industrial districts (as designated by the Zoning Ordinance) which is prohibited by the preceding Section 5, if it shall determine that the nature and use of the premises, the architecture of the building or its location with reference to the street is such that such a sign should be permitted in the public interest. In granting such permission, the Board of Adjustment shall specify the size, type and location and shall impose such other terms and restrictions as it may deem to be in the public interest and in accordance with the Building Code, provided that any such sign shall not exceed three hundred (300) square feet in area, thirty (30) feet in linear dimension, or twelve (12) feet in height from the ground.

7. APPLICATION TO BOARD OF ADJUSTMENT FOR PERMIT

Upon the filing of any application for a permit hereunder the Board shall hold a public hearing notice of which shall be given by publication and by mailing at the expense of the applicant, and render its decision all in accordance with the provisions of Chapter I, Section 13 of the Zoning Ordinance.

8. EXEMPTED SIGNS

The provisions of this Section shall not apply to the following signs:

A. Any sign which is required or authorized by any laws, rule, regulation or permit of the federal or state governments or any agency thereof or any public authority created thereby.

B. Any sign erected or placed on any Town premises under the provisions of any Town Ordinance or Building Code or by direction or order of the Town Board of Selectmen having lawful jurisdiction over such premises.

C. Non-conforming signs as defined in paragraph 9 of this Section.

D. Any sign not exceeding 4 square feet in area, limited solely to directing traffic within a parking area or indicating parking restrictions in the use of such parking area.

E. Any sign, not exceeding one square foot in area, marking or identifying privately owned land.

F. Customary signs on gasoline pumps indicating in usual size and form the name and type of gasoline and the price thereof.

G. Holiday decorations and lights when in season.

9. NON-CONFORMING SIGNS

A. Any non-accessory sign legally erected prior to the adoption of this by-law may continue to be maintained for a period of not longer than three years after the effective date of this by-law. Any other non-conforming sign legally erected prior to the adoption of this by-law may continue to be maintained; provided, however, that no such sign shall be enlarged, redesigned or altered except in accordance with the provisions of this by-law and provided further that any such sign which has been destroyed or damaged to such an extent that the cost of restoration would exceed thirty-five percent of the replacement value of the sign at the time of the destruction or damage, shall not be repaired or rebuilt or altered except in accordance with the provisions of this by-law.

B. The exemption herein granted shall terminate with respect to any sign which (1) shall have been abandoned; (2) advertises or calls attention to any products, businesses or activities which are no longer carried on or sold for at least sixty (60) days; or (3) shall not have been repaired or properly maintained within sixty (60) days after notice to that effect has been given by the Building Inspector.

10. TEMPORARY SIGNS

In particular instances the Board of Selectmen may grant special permits for the erection and display of temporary signs to the following persons: organizations or associations, subject to the following conditions:

A. To the owner or owners of the subdivision, a subdivision sign as provided in paragraph 2H hereof.

B. To any charitable, religious, scientific, literary, educational, fraternal, civic or other similar non-profit organization or association, a temporary sign advertising any function or activity of the applicant which will be open to the public, provided that the permit for such sign shall be for a stated period of time not exceeding 30 days.

C. Applications for temporary signs shall be in such form as the Selectmen shall determine and shall contain a description of the sign, including the size, height, material, color, wording and supporting structure, and the proposed location and inclusive dates of display. In granting any such permit the Selectmen shall specify the inclusive dates of the effective term thereof and may impose such further restrictions and conditions as they may deem to be in the public interest.

11. DIRECTIONAL SIGNS

Directional signs indicating the location of business operations within the town of Londonderry may be permitted by petition as an exception by the Board of Adjustment for a period of 3 years at which time a new exception must be applied for.

12. PERTINENCE TO OTHER LAWS

All signs shall be subject to any and all other applicable Ordinances and regulations of the Town of Londonderry and the State of New Hampshire.

ARTICLE

39. Shall the provisions of Chapter 287 of the RSA relative to playing games of beano be adopted in this city or town?

ARTICLE

40. To Transact any other business that may legally come before this meeting.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and seventy-three.

Voted by ballot.

Yes—377 No—690

Article No. 26. Are you in favor of amending the Town Zoning Ordinance to create Industrial Zones in areas proposed by petition of John E. Webster, Jr., et. al., Tax Map #14, Parcel 17 and Tax Map #15, Parcel 2? Note — The Londonderry Planning Board approves this amendment.

Voted by ballot.

Yes—618 No—379

**LONDONDERRY ANNUAL TOWN MEETING
MINUTES ON ARTICLES ACTED UPON**

March 10, 1972

Londonderry Central School Auditorium, Londonderry,
New Hampshire.

ANDREW C. MACK, Moderator
JAMES L. WRAY, Assistant Moderator
FOREST N. KIMBALL, Selectman
NORMAN RUSSELL, Selectman
ROBERT H. DAY, Selectman
MRS. ALICE M. TAYLOR, Town Clerk
JAMES M. CONNELLY, Stenotype Reporter

PROCEEDINGS

Mr. Mack opened the meeting at 7:00 P. M.

Invocation given by Rev. Rowland Westervelt.

Article No. 2 To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Mr. Norman Russell moved that the town budget in the amount of \$1,922-115.73 be accepted. Mr. Connor seconded the motion. Discussion followed.

Mr. Russell made a motion to amend the total Police Budget for the year to the sum of \$80,357.50. Mr. Robert Day seconded the motion. Discussion ensued. Voted affirmative.

Mr. George Hicks moved to amend the Fire Department budget to the figure of \$51,500. Mr. Russell seconded the motion. Discussion ensued. Voted affirmative.

The Selectmen noted an error in printing — Conservation Commission is \$1,500.00 and Planning and Zoning is \$4,150.00.

Mr. Russell moved to amend the appropriation for Highways and Bridges, new construction figure, from \$50,000.00 to \$35,000.00. Mr. Ross Landry seconded the motion. Discussion ensued. Voted affirmative.

Mr. Russell moved to reduce the Summer Maintenance Budget by \$3,000.00 to a figure of \$49,900.00. Mr. Vernon Van Grevenhof seconded the motion. Discussion ensued. Voted affirmative.

Mr. Andrew Mack moved to amend the item, Grader Maintenance and Repair, to \$1,500.00, making the Winter Maintenance figure \$71,350.00. Mr. Day seconded the motion. Discussion ensued. Voted affirmative.

Mrs. Boucher moved that the County Tax be paid under protest. Mr. Decato seconded the motion. Discussion ensued. Voted affirmative.

Mr. Ralph Lawrence moved to amend the County Tax from the figure of \$70,000.00 to \$1.00. Mr. James Tomaswick seconded the motion. Discussion ensued. Voted affirmative.

Mr. Forest Kimball moved to amend the original amount for the Town Budget of \$1,922,115.73 to the new amount of \$1,845,616.73. Mr. Webster seconded the motion. Discussion ensued. Voted affirmative.

Article No. 3 To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes. Mr. Connor moved that Article No. 3 be adopted. Mr. Ross Landry seconded the motion. Discussion ensued. Voted affirmative.

Article No. 4 To see if the Town will vote to authorize the Selectmen to sell at Public Auction, property acquired by the Town through Tax Collector's Deeds. Mr. Ross Landry moved that Article No. 4 be adopted. Mr. Connor seconded the motion. Discussion ensued. Voted affirmative.

Article No. 5 To see if the Town will vote to accept State Aid for the Construction of Class V roads, and to raise and set aside for said purposes the sum of \$1,657.55 and the State to contribute the sum of \$11,040.55. Mr. Mack stated that Article No. 5 having already been taken care of, we will go on to Article No. 6.

Article No. 6 To see if the Town will vote to accept the following Trust Funds:

Walter A. Perry	\$100.00
Frank, Sr. and Mabel Sullivan	100.00
Arthur J. Hepworth	100.00
Herbert M. Hulse	100.00

Mr. Forest Kimball moved that Article No. 6 be adopted. Mr. Connor seconded the motion. Voted affirmative.

Article No. 7 To see if the Town will vote to require the Board of Selectmen to submit for competitive public bidding any capital expenditures of over One Thousand Dollars (\$1,000.00). Mr. Webster moved that Article No. 7 be adopted. Mr. Russell seconded the motion. Discussion ensued. Voted affirmative.

Article No. 8 To see if the Town will vote to elect a board of three auditors as provided by RSA 41:32a for three years. Mr. Russell moved that Article No. 8 be adopted. Mr. Kimball seconded the motion. Discussion ensued. Voted affirmative.

Article No. 9 To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal Interest Free Loans, or other Federal funds, on behalf of the Londonderry Housing & Redevelopment Authority. Mr. Russell moved that Article No. 9 be adopted. Mr. Landry seconded the motion. Discussion ensued. Voted affirmative.

Article No. 10 To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Thousand Dollars (\$150,000.00) for the purpose of constructing a library, such sums to be raised by the issuance of not more than One Hundred Fifty Thousand Dollars (\$150,000.00) in bonds or notes and authorize the Selectmen to apply the Forty-Eight Thousand Dollars (\$48,000.00) Federal Aid and any other Federal Aid as may be available

and any donations received for said project to the cost of the construction prior to the acquisition of any bond or note. To authorize the Selectmen to issue and negotiate such bonds and notes to determine the rate of interest thereon, to take such other action as may be necessary to secure the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and pass any vote relating thereto. Mr. Russell moved that Article No. 10 be adopted. Mr. Landry seconded the motion. Mr. Albert Connor moved an amendment to the motion to change the figure from \$150,000.00 to \$80,000.00, and also to have the rest of the article read as follows: —

“To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000.00) for the purpose of constructing a library, such sums to be raised by the issuance of not more than Eighty Thousand Dollars (\$80,000.00) in bonds or notes and authorize the Selectmen to apply the Forty-Eight Thousand Dollars (\$48,000.00) Federal Aid and any other Federal Aid as may be available and any donations received for said project to the cost of the construction prior to the acquisition of any bond or note for a ten-year period. To authorize the Selectmen to issue and negotiate such bonds and notes to determine the rate of interest thereon, to take such other action as may be necessary to secure the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and pass any vote relating thereto.” Mr. Landry seconded the motion.

Mr. Russell made the following motion: In order to insure that there is no question in my mind, I am sure that the following would make it proof positive of what we want, that would simply be, following the word “Selectmen,” where it says “. . . authorize the Selectmen . . .” insert the words “in addition,” so it would read: “. . . authorize the Selectmen, in addition, to apply the Forty-Eight Thousand Dollars Federal Aid

and any other Federal Aid as may be available and any donations received for said project to the cost of construction." Strike the entire phrase "prior to the acquisition of any bond or note." I so move that amendment. Mr. Landry seconded the motion. Mr. Connor moved the question. Mr. Landry seconded the motion. Motion to move the question was adopted. Mr. Russell's motion to amend Article No. 10 was adopted. Mr. Connor's motion to amend Article No. 10 was adopted. Mr. Mack made the following statement: We are ready for the main motion. Article No. 10 would now read as follows:

"To see if the Town will vote to raise and appropriate the sum of \$80,000.00 for the purpose of constructing a library, such sums to be raised by the issuance of not more than \$80,000.00 in bonds or notes, and authorize the Selectmen in addition to apply the \$48,000.00 Federal Aid and any other Federal Aid as may be available and any donations received for said project to the cost of construction. To authorize the Selectmen to issue and negotiate such bonds and notes for a ten-year period and to determine the rate of interest thereon, to take such other action as may be necessary to secure the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and pass any vote relating thereto." Mr. Mack: There are 230 persons voting in favor of the article and 14 voting in opposition to the article. The article has been accepted as amended.

Article No. 11 To see if the Town will vote to raise and appropriate the sum of Twenty-Two Thousand (\$22,000.00) Dollars for the purpose of equipping a Town Library, such sums to be raised by the issuance of not more than Twenty-Two Thousand (\$22,000.00) Dollars in bonds or notes and authorize the Selectmen to apply for such Federal Aid as may be available, to issue and negotiate such bonds and notes and to determine the rate of interest thereon, to take such other action as may be nec-

essary to secure the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Londonderry and pass any vote relating thereto. Mr. Russell moved that Article No. 11 be adopted. Mr. Landry seconded the motion.

(Yes—216 No—3)

Article accepted.

Article No. 12 To see if the Town will vote to have the moderator appoint a Library Building Committee of three to work with the Library Trustees until completion of the Library Building. Marion Landry moved that Article No. 12 be adopted. Mrs. Bowen seconded the motion. Discussion ensued. Voted affirmative.

Article No. 13 To see if the Town will vote to raise and appropriate the sum of Seven Thousand Six Hundred Fifty (\$7,650.00) Dollars for the purpose of hiring a full time Building Inspector and Health Officer. Mr. Kimball moved that Article No. 13 be adopted. Mr. Webster seconded the motion. Discussion ensued. Voted affirmative.

Article No. 14 To see if the Town will vote to accept the following Incentive Pay Plan:

a. There is hereby established an incentive pay program in accordance with the provisions hereof, offering financial compensation to members of the police department for furthering their education in the field of police work.

b. Eligibility Any full time member of the police department shall be eligible for the plan established in accordance with this act, provided he acquired a minimum "C" average and accumulates the requisite number of credits under the schedule set forth in section c.

c. Incentive steps For each five (5) semester hour credits one dollar (\$1.00) per week above the usual base pay of the officer's grade. Credits must be obtained in a recognized university, college, technical institute, or other institute of learning approved by the New England

Association of Colleges and Secondary Schools. Only those credits obtained within a recognized police science or law enforcement degree program will be accepted.

d. Method of payment On or before January 1, of each calendar year, each member of the Department may present to the Chief of Police a resume of his studies and accreditation which pertain to the incentive program. Computation of the amounts of payment shall be made and entered into the budgetary account of the police department, and upon approval of the Selectmen, shall be disbursed to the officer in his weekly wages.

e. This plan will take effect as of January 1st, 1973 for credits earned after January 1st, 1972.

Mr. Kimball moved that Article No. 14 be adopted. Mr. Russell seconded the motion. Discussion ensued. Voted affirmative.

Article No. 15 To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the purpose of establishing and manning a Communication Center. Any federal funds available will be applied to the Communication Center project. Mr. Kimball moved that Article No. 15 be adopted. Mr. Russell seconded the motion. Chief of Police Frederick L. Ball made a motion to amend Article No. 15 to read: "To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000.00) for the purpose of establishing a Communications Center in the Police Department. Any Federal Funds available will be applied to the Communications Center project. Mr. Fowler seconded the amendment. Mr. Ball withdrew his motion to amend. Mr. Fowler withdrew his second. Mr. Ball made a motion to amend Article No. 15 to read: "To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the purpose of establishing a Communications Center within the Police Department. Any Federal Funds available will be applied to the Communications Center project." Mr.

Fowler seconded the motion. Mr. Ball withdrew his motion to amend Article No. 15. Mr. Fowler withdrew his second. Mr. Ball made a motion to amend Article No. 15 to read: "To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars (\$16,000.00) for the purpose of establishing a Communications Center within the Police Department" — strike out all the rest that is in there — \$7,000.00 to be raised by the Town, the balance to be paid by Federal Funds." Mr. Robert Day seconded the motion. Discussion ensued. Voted affirmative.

Article No. 16 To see if the Town will authorize and empower the Selectmen to negotiate and form a binding lease relative to the use of the Old Town Hall with the Londonderry Lions Club. Mr. Webster moved that Article No. 16 be adopted. Mr. Jack Kelly seconded the motion. Voted affirmative.

Mr. Forest Kimball moved to reconsider Article No. 16. Mr. Day seconded the motion. Voted affirmative. Discussion ensued. Mr. Jack Kelly moved the question. Mr. Gilbert seconded the motion. Voted affirmative. Mr. Mack put the question. Voted affirmative.

Article No. 17 To see if the Town will vote to adopt the following petition:

WHEREAS: The Londonderry United Methodist Church has been a "MEETING HOUSE" in Londonderry for almost a century.

WHEREAS: A Church building was moved onto the adjacent property and became known as THE LONDON-DERRY TOWN HALL.

WHEREAS: This building is not being used as a town hall.

WHEREAS: Londonderry is a fast-growing community, and the town hall facilities would be of value to

the United Methodist Church in an extended outreach to the youth and the adults of the community.

THEREFORE: The Londonderry United Methodist Church requests:

1. That the voters of Londonderry, New Hampshire hereby authorize the selectmen to sell and convey to the Londonderry United Methodist Church the land and buildings adjacent to said Church and known as the Old Londonderry Town Hall.

2. That the purchase price shall be determined by the Selectmen of Londonderry.

3. That this property be maintained, operated and kept in similar condition as any other Church property.

4. That the said Londonderry Town Hall be available for the use by the people of the community as any other Church building.

As petition of Irving S. Jones, et. al.

Mr. Strino moved to table Article No. 17. Mr. Nelson seconded the motion. Discussion ensued. Voted affirmative.

Article No. 18 To see if the Town will vote to become a member of the Southern New Hampshire Planning Commission. The Commission has a membership of five (5) of the municipalities in the Metropolitan area. The objective of the Commission is to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern, and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency will have no jurisdiction over any matter of local affairs. It will be purely advisory. Two members of the regional planning agency shall be from Londonderry to be appointed by the Selectmen. A YES vote is in favor of joining the regional planning agency. Mr. Day moved that Article No. 18 be adopted. Mr. Webster seconded the motion. Mr. William Boucher moved to indefinitely postpone Article No. 18. Mr. Law-

rence seconded the motion. Mr. Boucher withdrew his motion to indefinitely postpone. Mr. Lawrence withdrew his second. After further discussion, voted negative.

Article No. 19 To see if the Town will vote to appropriate the sum of \$.35 per capita (a total of \$1,871.10) as dues to become a member of the Southern New Hampshire Planning Commission for the year ending June 30, 1973. Mr. Kimball moved that Article No. 19 be tabled. Mr. Russell seconded the motion. Voted affirmative.

Article No. 20 To see if the Town will vote to discontinue that portion of road leading from the southeast side of Kimball Road, in the vicinity of the old No. 6 School House, then in a southeasterly direction to its intersection with the west side of High Range Road. Thence continuing in the same direction from the east side of High Range Road to its junction with the north side of Alexander Road. Mr. Kimball moved that Article No. 20 be adopted. Mr. Day seconded the motion. Discussion ensued. Voted affirmative.

Article No. 21 To see if the Town will vote to accept the description of Harvey Road and Grenier Field Road as originally proposed in Article No. 7 of the 1960 Town Warrant and delete the amendment made by Mr. W. P. Mack and seconded by Mr. D. F. Hicks, pertaining to High Range Road. Mr. Day moved that Article No. 21 be adopted. Mr. Russell seconded the motion. Discussion ensued. Voted affirmative.

Mr. Mack: That takes us, I believe, to our final article, the others being changes to the zoning of this Town, and having been acted upon at Tuesday's meeting.

Article No. 28 To Transact any other business that may legally come before this meeting.

Mr. Russell moved to continue the authority of the committee established in Article #19 at the 1971 Town

Meeting, and for that committee to report at some Town Meeting in the future.

“Article No. 19 (1971) To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five to investigate whether the needs of the town warrant a change in its present form of government and report to the Town Meeting in 1972 any recommendations in this regard for consideration and possible adoption.”

Mr. Kimball seconded the motion. Discussion ensued. Voted affirmative.

Mr. Boucher stated that he would move that Cindy Cross, an art student at Syracuse University, Syracuse, New York, be congratulated for designing the cover of this year's Town Report. Voted affirmative.

Mr. Russell read Article No. 11 from last year's Town Meeting, which at that time had been tabled until the next regularly scheduled Town Meeting or any duly authorized Special Town Meeting called for the purpose of this subject.

“Article No. 11 (1971) To see if the Town will vote to appropriate a sum not to exceed \$82,000 for land acquisition, final engineering work, and preparation of construction plans and specifications for Phase One construction of the North Londonderry Water System as outlined in the February, 1971, ‘Report of Study of Water Supply and Distribution Facilities’ and determine whether any such appropriation would be raised by borrowing according to the Municipal Finance Act, and in the event that said money is to be raised by borrowing, to authorize the Selectmen to negotiate the terms and conditions of the notes or bonds to be issued and to do any other act necessary to carry out the intent of this article.”

Mr. Merrill moved to retable this article until the next regularly scheduled Town Meeting or any Town Meeting called specifically for this purpose, with the following

provisions: that the Selectmen be prepared at the next regularly scheduled Town Meeting or any Town Meeting called for the purpose to present plans for the start of the water system in the village area of North Londonderry. Mr. Babineau seconded the motion. Discussion ensued. Voted affirmative.

Mr. Hicks moved to have the Selectmen change a few names of roads in town and clarify such things as Pillsbury Road, East and West; Old Derry Road, North and South; and names of these old roads. Mr. Duval seconded the motion. Discussion ensued. Voted affirmative.

Mr. Mack moved that the men of Londonderry support the celebration of Londonderry's 250th Anniversary, and further provide that, as an indication of their support, that they raise beards and mustaches in the grandest manner that is possible for them to do so. Mr. Day seconded the motion. Voted affirmative.

Mr. Kimball moved adjournment. Mr. Landry seconded the motion. Voted affirmative.

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES **Fiscal Year Ending December 31, 1972**

TOWN CLERK'S REPORT

The compilation of figures in the Town Clerk's office again reflects the very rapid growth of the town. There was an increase of 18% in motor vehicle registrations this year. In checking previous years, we find an increase of 76% in just four years. The increase in motor vehicle fees for 1972 represented an increase of 22% over last year. 6,407 vehicles were registered last year. Other totals that might be of interest include: 119 births, 56 deaths, 75 marriages and a total of 698 dogs licensed.

The Town Clerk would like to bring to your attention new changes being made in the registration of motor vehicles. These changes are part of a computerized registration program designed to facilitate the registration and identification of motor vehicles throughout the state. This year, all vehicles of 1964 vintage or newer must obtain a certificate of title. Most 1968 or newer cars already have one. Previously, only when a vehicle was transferred, was a certificate needed. This law increases the amount of paperwork necessary in the clerk's office, so we suggest you register your vehicles as early as possible to avoid waiting in line. Be sure to bring previous registrations with you when you come.

Another innovation in vehicle registration was implemented by the motor vehicle department. All of last years registrations have been put on computerized registration slips, listed alphabetically and sent to the Town clerk. This will eventually speed up the process of registration, but for this year, because of some incorrect information on the slips, it may be necessary to make out new ones. Also, if a different vehicle has been purchased during the year, a new slip must be made on it. We believe this computerization will eventually lead to registration plates being used for several years by the same owner. If you have any questions, please contact the Town Clerk during business hours at 669-1054.

ROAD AGENT REPORT

New Roads, old roads, mud, snow, rain, sleet, salt, all of these are very serious problems for a small town road agent with a crew of two men and a budget to contend with. If anything was to help us it would have to be a communications system. This system had been bantered about for several years and in 1972 it became a reality. This system is manned twenty-four hours a day by the Fire Department and has been more of a time saver than we had expected. I have great praise and a good deal of appreciation for our Fire and Police Departments. This communications system connects us with the Police and Fire Department and also with the Town Office via telephone. The time it has saved us has more than paid for this system. To reach our department call 434-6612 and the message will be forwarded.

Besides the communication system, we purchased three new snow plows and a wing to replace some of our older equipment with the money appropriated in our budget.

This year we have installed 27 new culverts which also involved widening the roads, cutting of trees, installation of the culverts, catch basins, gravel and crushed stone. Then replacing the area to be a suitable safe condition. This takes many man hours and the effort has paid off this winter with many of our ice problems solved. The money used for this project was received from the State in the form of Highway Subsidy.

Wiley Hill Road and Elwood Road was resurfaced in 1972 by the State Highway Department with the town participating in the amount of \$1,657.55 of T.R.A. funds. This involved 3.5 miles of road and the results have been very satisfactory.

The Highway Department maintains eighty-three miles of paved and dirt roads. In 1972 three additional miles of roads increased this figure to eighty-six. These

additional roads are in new developments which are completely built by the developer at their own cost to town specifications. When these roads are built to acceptance, they are deeded to the town and then maintained by us.

Approximately one half of our older tar roads were resurfaced this summer from our tarring account. More oiling of dirt roads were done this summer which proved to work satisfactorily with many compliments from the people who live on these roads.

Overall it has been a very busy year. If all that needed to be done was not accomplished, it was not because we did not try.

Respectfully submitted,

RICHARD S. MOORE,
Road Agent

LONDONDERRY POLICE DEPARTMENT

Annual Report — 1972

1972 was a rather disappointing and frustrating year. Disappointing because we had a rapid rise in various crimes; frustrating because, while we knew what was happening and worked many extra hours in an effort to combat it, we just did not have the physical resources to give the service and protection that was asked of us. The activity comparison listed below shows the rapid increase in all areas and particularly where the problems are most severe. The asterisk denotes the most serious problems confronting us.

Figures on crime as reported by various local and state agencies in much of southern New Hampshire has continued to increase at a fast rate, considerably faster than the rest of New England. This is due largely to the tremendous growth in our area coupled with the ease of travel between our area and Massachusetts.

The lack of sufficient manpower in Londonderry compounded our problem. Consider the officer going on duty for the day shift. Each day, several hours of work is awaiting him as he starts in the form of house checks, service calls and follow up on the previous day's work. Added to this are more calls, complaints and maybe an accident or two. By the middle of his shift he often has more to do than he can accomplish. He then must decide a priority of needs and let some of the work go till the next day. A good tactical patrol, which we have found from experience to be THE method of crime control, is nearly non-existent. Use of radar and other means of controlling traffic complaints cannot be used effectively if at all.

If a burglary or other crime occurs, the investigating officer cannot devote his full attention to the investigation. He is usually the only officer on duty and must respond to any calls that might come during his investigation. As the town is nearly ten miles long, the difficulty of providing adequate response to calls is compounded.

The delay between the call and the arrival of the officer can be as long as fifteen minutes. Perhaps longer if the officer is in the middle of an emergency, and much too long for effective Police service of the safety of the residents.

In order to provide at least a minimum of corrective action, we have proposed, after consultation with the Selectmen, the addition of three full time officers. Because of days off, vacations and earned time off, it takes the equivalent of one and one half men to cover one shift each day of the year. The three men, therefore, would allow us to have two men on duty for two of the three daily shifts. At present we generally have only one. With a man on duty at each end of the town, response time would be brought within reasonable limits and if one officer was occupied with an accident or investigation, the second would be available to answer calls and to continue a deterrent patrol. It would also allow for more thorough investigations of crimes and traffic problems.

We feel the time has come to "shift gears." Some specialization is needed. We can no longer expect the patrol officer to be in a position to accomplish all that must be done. The need for "Stake outs" and general surveillance has become a necessity if we are to combat our drug problem and malicious damage complaints. An officer must also be able to carry his investigations to other towns and states, where warranted. We must have the manpower necessary to do this.

Our program of Youth Services got off to a meaningful start with the appointment of Joseph Eaton as Youth Service Officer. "Joe" had displayed previous interest and concern with young people by devoting much of his spare time to coaching and supervising recreation programs here and in Derry over the past several years. His educational background in the Police and Social Sciences makes him well suited to fill the position. In the past six months nearly 40 young people, involved in various problems, have come under his direct supervision. Many of

our crimes committed by local juveniles have been cleared.

Despite his heavy workload, Officer Eaton continues to serve the community in his "spare" time. He remains a member of the Recreation Commission and conducts many of their programs. He also supervises the EXPLORER program, which is sponsored by the Police Department. The Explorers is a program for young people of High School age who plan and conduct their own activities with a minimum of adult supervision. They raise funds to support their activities and have recently purchased a retired school bus which they hope to convert to a camping unit for use on their outings. Their maturity in planning the various functions and carrying them out has been very satisfying to us. We are very fortunate in having a hard working group who are setting an example for others showing that they can enjoy themselves through legitimate channels. We are quite proud of these young people and their accomplishments. We would like to thank Mr. Kraus and Mr. Nelsson, the Lions Club and the many others who have contributed to the success of the Explorers.

COMPARISON OF ACTIVITIES 1970 - 1972

ACTIVITY	1970	1971	1972	% Inc
(1) Accidents*	170	176	229	34%
Assaults	2	3	6	300%
Assists to other Departments	176	196	210	19%
(1) Assists to stranded motorists	103	83	74	-29%
(1) Burglary	29	40	67	131%
Complaints, Family	54	41	34	-37%
Other Complaints	655	931	1116	70%
Dog Complaints (Police only)	235	283	249	-5%
(2) Driving while intoxicated	7	5	12	71%
Emergency notifications	9	15	17	88%
House Checks	1274	1686	3502	174%
(3) Juvenile Court cases	7	9	11	42%
Lost or missing persons	18	18	24	25%
(1) Larceny	40	32	83	107%
Prowlers	10	13	12	20%
Rubbish, Illegal dumping	3	3	2	-33%
(1) Vandalism	23	51	60	160%
(1) Arrests	258	380	269	4%
(1) Sharp increase due largely to lack of effective patrol work.				
(2) Increase due to effectiveness of one officer on late shift.				
(3) Some cases formerly referred to court are now handled by the Juvenile Division.

LONDONDERRY AUXILIARY POLICE

The Londonderry Auxiliary Police Unit is now in its third year of service to the community. The Auxiliary is a voluntary unit which maintains itself at little expense to the town. They depend on contributions and support of various fund raising enterprises to cover the costs of their expenses. In the short time the Auxiliary has been organized, they have become a valuable asset to the regular Police Department. They have aided in searches for missing persons, assisting regular police officers when extra manpower is needed. They have contributed regularly to a patrol under the supervision of Police Sgt. Roger Levesque. More than 2500 hours have been contributed in various areas solely to the benefit of the community. The Auxiliary has a 1965 Ford Sedan which was donated to them. They have fully equipped this vehicle to perform their duties.

Bi-weekly training sessions are held in which they are familiarized with the law and Police Department procedures. Under their program of firearm training, they have become very proficient, winning trophies in the annual C-D Auxiliary Pistol and Revolver matches sponsored by the State of New Hampshire.

As the need arises, members of the Auxiliary are sworn in as special officers and are ready to man the shifts of regular officers who may be off duty during vacations and time off.

Respectfully submitted,

SGT. ROGER LEVESQUE
Liaison Officer

DO YOU KNOW YOUR FIRE DEPARTMENT?

Londonderry still has a Volunteer Fire Department. The two fire houses are owned and operated by Londonderry Fire Department, Inc. Londonderry is unique in as much as we have combined a system where a permanent staff combines with volunteers to make good fire protection at a minimum cost to its citizens.

The department is run by a Board of Directors. There are five members. These men determine the policies, by-laws, etc. of this department. There are twenty-eight volunteers and seven regulars on the roster. These are the men who fight all fires. These men also help out in many other capacities. One good example is station number one's new addition, and the new hose drying tower. A lot of hard work went into these projects. This work was done by our volunteer firemen on a strictly no pay basis. Your regular firemen work many volunteer hours after their scheduled shift.

Londonderry Fire Department, Inc. owns their own fire engine, pickup truck, and jeep which is used for plowing snow. The town owns three fire trucks, and the State Forestry owns two fire trucks.

Both Stations are now manned twenty-four hours a day by your permanent men. Besides new additions, trucks that need servicing, monitoring the fire phone and police phone, etc. your firemen all find time to attend regular training sessions. These are held to acquaint the men with the operations and handling of the fire trucks and all equipment. They meet and drill every Wednesday night. In addition, there are periodic training sessions in the field. On these drills the men are schooled in actual fire situations. These are held in order that the men will be capable of handling any situation that may arise at a real fire. The benefits derived of course, are efficient fire fighting as well as minimum danger to men.

On top of all these things, our firemen raise much of their operation money themselves. There are monthly dances at the Firemen's Hall during the winter months. This is capped off by your annual May Ball. This is our major source of revenue, as well as the social event of the year. During the Christmas season, trees and wreaths are sold. A paper collection station is set up at both fire houses. Filling swimming pools and burning old buildings are also handled by this department.

As was mentioned earlier, the fire department performs another service for this community. We receive and dispatch all police calls during the weekends and holidays as well as Monday through Friday between the hours of 4:30 P. M. and 9:00 A. M.

I hope that this will give everyone in this Community a better understanding in what your Fire Department is doing.

Respectfully submitted,

DAVID A. HICKS
Fire Chief

LONDONDERRY VOLUNTEER FIRE DEPARTMENT REPORT FOR THE YEAR 1972

EMERGENCY CALLS — ONLY 432-3138

Station 1 other than emergency 432-3442

Station 2 other than emergency 432-3369

Ladder rescue calls	7
Burning buildings	4
Pumping cellars	9
Police Department assistance	12
Mutual aid assistance	7
Resuscitator calls	5
Highway assistance	4
	<hr/>
Total responses other than town fires	147

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a Cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares

equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be Issued for fires between 9:00 A. M. and 5:00 P. M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

All Fire permits issued in Londonderry will be obtained at the Fire houses under the OK of the Forest Fire Warden or Deputy Warden.

Number of fires reported and acres burned — 1972 season:

State	410 fires	361 acres
District	101 fires	112 acres
Town	28 fires	3 acres

Permits issued in Londonderry for the year 1972 — 604.

RALPH STEVENS,
District Chief

DAVID A. HICKS,
Forest Fire Warden

1972 RECREATION COMMISSION ANNUAL REPORT

The year 1972 saw a growth in both the number of programs offered and the number of participants in these programs.

There was one change in the commissioners, Horace Etheridge resigned and Sharon Sorenson was appointed by the Selectmen to finish out his term. Joseph Eaton was reappointed for three (3) years.

In conjunction with the Lions Club and the Birchwood Ski Area, we conducted a Winter Carnival with 82 boys and girls from age 7 to 18 competing in the downhill races. We plan to make this an annual event.

The summer playground dropped off a little with an average attendance of 250 children a week for the seven weeks. We were unfortunate that Mrs. Kraus, the Arts and Crafts director, became ill half way through the program and was unable to finish, as she had many fine projects lined up. Mr. Vasilios, Playground Director, filled both functions through the last few weeks.

We started a men's softball league which consisted of five teams with a schedule that culminated with Championship play-off on Old Home Day.

On Old Home Day we also conducted Field and Track events for the youth of the town with approximately 100 participants in the various events. We also plan to make this an annual event, along with the softball championship.

We expanded our flag football to include not only 7 to 9 and 10 to 12, but also 13 to 15 year old boys. This program attracted an average of 130 boys a week for a period of ten weeks.

Along with flag football, we started a cheerleaders group in the same age brackets 7 to 9, 10 to 12 and 13 to 15 and were gratified with an average of 70 girls each week of football.

With the holidays over we started our basketball programs and added teenage boys on Friday night. Attendance is averaging about thirty boys. Men's basketball was changed to Mondays and the boys and girls as usual

on Saturday. Attendance on Saturdays has shot up from an average of 140 last year to 220 boys and girls this year.

We were late on getting started with a hockey program, but will definitely have one for next year, along with just plain skating as long as the weather cooperates. We tried to start adult Arts and Crafts and men's volleyball, but at this time there was not enough interest.

We held two banquets, one for basketball and one for flag football and the cheerleaders with trophies or pins being awarded to all children who participated on a satisfactory basis.

We have had several meetings with representatives from the State Recreation Commission both here and in Concord, and locally have met with Planning Board, School Board and Conservation Commissioners.

We have also spent considerable time looking for a piece of land, centrally located, that could be purchased reasonably and developed for recreational use for the town. We think we have found this piece of land and at present an appraisal is being made to Federal specifications so that we may be able to apply for Federal funds to split the cost of this project.

The Recreation Commission meets the first Tuesday of each month at 7:30 P. M. at the Town Hall and would appreciate your attendance, comments, suggestions and help.

At this time we would like to thank the School Board for the use of Central School and its grounds, James Matarozzo and Andrew Mack for the use of their land, and to all the individuals who made all these programs possible, whether they were managers, coaches, referees, umpires, scorekeepers or just helpers, our heartfelt thanks, for without **you** there would not be a Recreation Commission.

Respectfully submitted,

CHARLES S. FOWLER, Chairman
Londonderry Recreation Commission

REPORT OF HEALTH OFFICER

January 1, 1972 through December 31, 1972

Thirty-two complaints were received and resolved in accordance with existing Town Ordinances and State Laws.

Overflowing sewage	25
Unauthorized trash dumping	1
Unauthorized construction	5
Unsanitary homes	1

A total of 127 Septic Systems were approved for operations.

Respectfully submitted,

RICHARD L. HODGMAN
Health Officers

DERRY VISITING NURSE ASSOCIATION

1972 — 1973

Functions of Derry Visiting Nurse Association:

(A) "CHARGED VISITS"

1. Medical Order Visits
 - General nursing care — dressing, injection, bed bath, catheter change, etc.
 - Diabetes education
 - Blood pressure checks
 - Rehabilitation — stroke, arthritis
 - Mental health supervision, etc.
2. Health Supervision
 - Teaching health care, hygiene, prevention of disease, diet
 - Teaching families of handicapped to aid patients
3. Maternal/Child Health
 - Every newborn and every mother should be visited to educate in care of newborn — diet, general care, immunization etc.
4. Crippled Children's Services
 - State research — heart disease; cystic fibrosis; defects.
5. Physical Therapy Visits
 - Stroke patients
 - Accident patients
 - Arthritis patients
 - Muscular dystrophy, etc.
6. Occupational Therapy Visits
 - Bedridden, house-confined patients.

(B) NO CHARGE SERVICES

1. Referral of indigent families in need of immunization to doctors' offices for free visits.
2. Expectant parents classes.
3. Assistance to individuals to find available resources in New Hampshire, especially helping them to fill

out Medicare forms. Many done in office.

4. T B mantoux testing — free service.
5. Venereal disease educational programs.
6. Hospital rounds with local physicians.
7. Diabetes screening and X-ray program. Follow-up.

DERRY VISITING NURSE ASSOCIATION COST

July 1, 1971 — June 30, 1972

Visits in Londonderry	339
-----------------------	-----

Cost per visit	\$8.15
----------------	--------

(This is calculated by total overhead divided by the number of charged visits. It includes all administrative work, medical supplies, travel costs, salaries, etc.)

Total Cost of Londonderry Visits (339 x \$8.15)	\$2,762.85
--	------------

Cash received from patients	\$203.35
-----------------------------	----------

Reimbursement from Medicare/ Medicaid	447.35
--	--------

Total	\$ 650.70
-------	-----------

Payment from Town of Londonderry	2,000.00
-------------------------------------	----------

\$2,650.70

July 1, 1972 — December 30, 1972
(6 month period)

Visits in Londonderry	201
-----------------------	-----

DERRY VISITING NURSE ASSOCIATION

1973 — 1974

AIMS:

1. Maintain all present services.
2. Physical therapy is a new service added halfway through the year and it will expand.
3. Expand service to community:
 - a. Increase number of visits of all types.
 - b. Maternal/Child health visits — all newborn were not visited last year because of lack of staff, time. Aim to correct this year.
 - c. All work that should have been done on State referrals, cripple children program was not done.
 - d. D.V.N.A. is the only health organization in Londonderry and there is a great amount of work to do in such areas as "case finding"; that is, discovering and aiding the needy families in town.

COST:

1. All cost will inevitably increase — medical supplies, telephone, car service, gasoline, etc.
2. Payroll — our nurses are paid \$3.10/hour. This is 40¢ less than other R.N.'s in Derry and the State. Our Head Nurse receives considerably less than the State average for her position and training.

We have asked for \$3,000 because we intend to increase the volume and the type of service to Londonderry this coming year. The population of Londonderry is rapidly increasing and our costs continue to rise.

The effect of not receiving this money will be that the comprehensive coverage that is aimed for will not be attained, since our aim is to add another full time Registered Nurse to the staff to carry the extra work load.

REPORT OF THE BUILDING INSPECTOR
January 1, 1972 through December 31, 1972

The office of Building Inspector issued a total of 312 permits for an estimated value of \$7,012,495.00. The number of permits exceeded 1971 by 64 and the dollar value by \$1,172,018.00. An increase in single homes of 77, but a decrease in total living units as only one 40 unit apartment or town house permit was issued. The outlook for 1973 appears to be a steady growth in single homes as well as new town house developments.

Single Homes	170	\$4,291,600.00
Mobile Homes	3	19,095.00
Commercial & Industrial	19	1,437,500.00
Private Garages	16	64,100.00
Gasoline Stations	1	90,000.00
Schools	1	250,000.00
Porches	14	2,000.00
Swimming Pools	13	70,900.00
House Additions	41	101,950.00
Remodel	12	52,950.00
Barns	10	22,400.00
Houses Moved	1	
Demolish Houses	2	
Public Garage	1	6,000.00
Library	1	153,000.00
Apartment Complex	1	400,000.00
Banks	1	75,000.00
Business	4	
Total	312	\$7,012,495.00

The newly adopted BOCA Building Code has been accepted by all builders and complied with in a very satisfactory manner and the cooperation between this department and the builders, as well as the home owners, has been most gratifying.

Respectfully,

RICHARD L. HODGMAN
Building Inspector

LONDONDERRY PLANNING BOARD

In 1972, the Planning Board completed a two year study in conjunction with the Harvard Graduate School of Design, Department of Landscape Architecture. This study by the Harvard Study Group was an in depth evaluation of our land systems. A public meeting was held in June to present the Harvard findings to our townspeople. This study has given the Planning Board valuable information to use when new subdivisions are being proposed. The Board has all the maps and slides done by the group as well as a complete publication with the findings and recommendations of the study. This publication, which includes copies of all the maps, is available from the Town Clerk for purchase by the public.

The Planning Board proposed a new building code (BOCA) which was enacted by the voters at the March 1972 Town Meeting. This has enabled the Building Inspector to have a firm basis upon which to govern all new building construction.

The Planning Board has used as one of its consultants, the Land Use Foundation which is a non-profit organization to promote better land use practices in New Hampshire. As a result, the Planning Board has proposed Open Space/Cluster Residential Zoning to be voted upon at this year's Town Meeting. This type of low-density development will preserve our natural environment and maintain the rural appearance that is so appealing in the Town of Londonderry.

The Planning Board, at its monthly business meetings reviewed many preliminary plans and signed subdivision plans for 275 lots. The Board meets the second Wednesday of each month and welcomes any interested citizen to view our proceedings.

The Planning Board has strived and will continue to strive to promote orderly, controlled growth for our Town.

Respectfully,

GEORGE P. HICKS
Chairman

TAX EVALUATION CHART

Note — In 1969 the Town of Londonderry was taxed against a tax map for the first time. At that time the town was also reassessed at 100% valuation. Thus the below chart was compiled from that year.

Year	Population*	Total Population	Tax Rate
1969	5250	\$32,965,875	\$27.80
1970	5346	34,257,230	29.80
1971	6036	43,956,180	27.00
1972	6673	54,146,008	29.50

* Population figures as submitted by Office of State Planning.

BOARD OF ADJUSTMENT

1972 Activities

I. Analysis of Cases:

Type of Case	Granted	Denied	Total
1. Special Exception	20	4	24
2. Variance	10	1	11
3. Appeal from Administrative Decision	0	1	1
	<hr/>	<hr/>	<hr/>
Total	30	6	36

II. Case History:	1965	25
	1966	23
	1967	16
	1968	24
	1969	18
	1970	22
	1971	21
	1972	36

III. Remarks:

The number of cases heard by the Board of Adjustment reflects an increase of 71% over 1971. Twenty-six requests involved commercial activity, including a bank, a social club and a mobile home park.

One request was for a church and the remainder were residential or miscellaneous requests.

Three additional applications were received, one of which was withdrawn, one had to apply again the following month and the third was an improper request so no action could be taken by the Board.

Respectfully submitted,

LAWRENCE J. WEBBER
Clerk, Board of Adjustment

LONDONDERRY CONSERVATION COMMISSION

1972 was a busy year. Our Wetland Zoning article passed with an affirmative vote of 588 to a no of 462. The petitions that demanded a $\frac{2}{3}$ vote majority have resulted in its being held up in Superior Court awaiting a ruling — Namely; whether a $\frac{2}{3}$ majority vote would apply to a zoning ordinance of this nature. This previous summer we asked the Rockingham County Soil Conservation District to update all the wetlands on the map. Their agendum being filled, this detail will have first priority this summer.

There has been a lot of dredge and fill permits issued. The Conservation Board having voted against having Wheeler's Pond on Route 102 filled met with a special board concerning this in Concord. The large group of concerned towns people who attended these meetings with us resulted in this permit being denied. Wheeler's Pond is a naturally scenic area that could not serve a better purpose by being destroyed.

The Beaver Brook area is still one of our top priorities. In the future we will be working toward land acquisition. There has been a new organization formed of which you will be hearing more about; The Beaver Brook Watershed Association. The Association will include all towns in N. H. and Mass. that has land from which the brook receives its water. The purpose of this organization is to keep and insure water purity in Beaver Brook.

Our Commission membership has had some changes this year. We are proposing a seven member board, at present there are six:

Daniel Hicks 2-5500

George Combe 4-6528

John Falvey 2-5715

Valerie Pettigrew 2-2780

Robert Lievens 2-9927

Barbara Thompson 2-9014

If we can be of any help phone, or come to one of our meetings held the first Tuesday of each month at the Town Offices. The purpose of our Conservation Commission to preserve and protect all lands of ecological value in our town. To do this requires the interest and involvement of all of you.

CONSERVATION COMMISSION BUDGET

Operating Expenses	\$ 500.00
Conservation Fund	1,000.00
	<hr/>
1973 Budget	\$1,500.00

The conservation fund is set up for the purpose of land purchases. This is an accumulative amount since 1970, totaling \$1,895.53

* From Building Permit.

IV. CAPITAL IMPROVEMENTS

Parcel I — Clearing and burning slash for rights of way of roads.

Parcel III — Clearing, burning slash, stumping and grading preparatory to installing sewer and completion of roads as approved by the Authority.

V. PROPOSED CAPITAL IMPROVEMENTS

The redevelopment of the Authority's property will in some areas require the relocation of water mains and the extension of mains into other areas. Confronted with a very substantial construction cost (\$103,000), the Authority explored sources of federal funds to assist in financing the project. It was determined that the U. S. Department of Housing and Urban Development could grant funds in the amount of 50% of the cost for such a project and application was made to that agency. However, although the project was designed to become a factor in the extension of water services into North Londonderry, as well as further development of the in-

dustrial area of the Authority, it was turned down. It appears the basis of this action was the adverse comments of the South New Hampshire Regional Planning Commission that "This program is not consistent with either regional or local plans and programs as of this date" (8/23/72).

FLOYD G. LAMSON

Chairman

ROWLAND H. SCHMIDTCHEN

Treasurer

To the Commissioners

Londonderry Housing and Redevelopment Authority
Londonderry, New Hampshire

We have examined the balance sheet of the Londonderry Housing and Redevelopment Authority as of December 31, 1972 and the related statement of operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the financial position of the Londonderry Housing and Redevelopment Authority at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district of the town of Londonderry, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Londonderry Central School in said district on the 3rd day of March 1973, at two o'clock in the afternoon, to act upon the following subjects:

1. To see if the District will appropriate \$1,300.00, or any other sum, for the alteration and enlargement of the Londonderry Junior High School and for the purchase of school equipment of a lasting character, to determine whether such appropriation shall be raised by borrowing or otherwise, to authorize the School Board to contract for and accept federal or other funds as well as all interest accrued or earned in connection with the project or take any other action relative thereto.
2. To hear reports of agents, auditors and committees or officers chosen and to pass any vote relative thereto.
3. To see if the District will authorize the School Board to make application for, to accept and to spend on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government and/or the State of New Hampshire.
4. To see if the District will vote to authorize the School Board to accept and to spend in the name of and in behalf of the School District gifts for the use of the schools.

5. To see if the District will vote to accept provisions of Public Law 89-10 designed to improve educational opportunities with particular reference to low income families and to appropriate such funds as may be made available to the District under the Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same on such projects as it may designate.

6. To see if the District will raise and appropriate the sum of \$66,954.00, this being the deficit in the 1972-1973 budget. Said deficit appropriation to be paid to the School District prior to June 30, 1973 and pass any vote in relation thereto.

7. To see if the School District will authorize the School Board to enter into negotiations with Pinkerton Academy for an early release of the contract which presently exists between the Londonderry School District and Pinkerton Academy. The existing contract expires in June of 1978.

8. To see if the District will raise and appropriate the sum of \$27,543.00 for renovations to the Londonderry Central School and the North Londonderry School and to pass any vote in relation thereto.

9. To see if the District will authorize the School Board to accept from the Town of Londonderry, a tract of land located on the southerly side of Sanborn Road near the North Londonderry School for the purpose of providing a parking lot for the North Londonderry School and pass any vote in relation thereto.

10. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents and for the payment of statutory obligations of the District.

11. To transact any other business that may legally come before this meeting, including the appointment of committees.

Given under our hands at said Londonderry this 12th day of February 1973.

REPORT OF THE SCHOOL BOARD CHAIRMAN

The past year was a very exciting year for education in Londonderry. With much effort on the part of our Educators and the Board we planned, designed and built, in time for September 1972, the first phase of a comprehensive high school. This is now in operation as a junior high and will be used as such until there are more phases completed and our student population warrants our own high school. This building is designed for full flexibility and can be used any way the number of students dictate. It is a new way of building schools but because of Londonderry's rapid growth and unpredictability we feel we are headed in the proper direction.

Our student population continues to grow at a frightening rate and even with the new school we will be out of space in another year. We are planning more building and at the same time we are studying year-round schools and several other methods of using our buildings more efficiently.

I would like to thank all of the Instructors and Administrators as well as all of the people of Londonderry for helping us to give the young people of Londonderry an education which is second to none at a fairly reasonable cost. The school budget rises only to keep abreast of inflation and student population growth.

Be sure to visit our schools. You will find all sorts of wonderful things happening.

GORDON R. ARNOLD
Board Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the citizens of Londonderry, I hereby submit my report as Superintendent of Schools.

The New Hampshire State Board of Education, at their meeting of January 17, 1973, voted to approve the following powers and duties of the School Boards, Superintendents and Principals.

I feel that each resident of the School District should have these duties in their possession. Therefore, I am devoting the space allocated for the Superintendent's report to print these powers and duties in their entirety.

School Boards —

1. The school boards shall adopt such policies as are necessary and desirable to control and effectuate the recruitment, employment, evaluation, and dismissal of teachers and other employees and may delegate authority to the superintendent of schools to carry out the provisions of such policies excepting that no teacher shall be employed who has not been nominated by the superintendent of schools and elected by the school board.

2. The school board shall adopt such policies as are necessary and desirable to control and effectuate the purchase of equipment, supplies, or services and may delegate to the superintendent of schools the authority to make commitments in accordance with such policy.

3. The school board shall, through appropriate planning and required action, make suitable provisions for the physical accommodation of all students in approved schoolhouses or other suitable facilities; shall provide required transportation of students; and shall provide that all school buildings and other learning environments be maintained in a manner consistent with acceptable standards of health and safety.

4. The school boards shall seasonably prepare a budget of school expenditures and make suitable and

timely assignment of the school money to the various needs of the schools. In state-aided districts, accounts shall be kept as the State Board shall require and shall be open at all times to the inspection of the superintendent, any other officer of the State Board and to the public in accordance with the Laws of the State of New Hampshire.

5. They shall hold meetings for the transaction of business at least once in two months and shall require the attendance of the superintendent or his designee. The board shall cause a written record to be kept of each meeting.

6. School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the implementation of educational programs designed to reflect the goals and objectives and further, the school board shall require the appropriate review of such programs and make public the results of such investigation.

7. The school board shall exercise all powers and perform all duties vested in and imposed upon the school board by law or regulations of the State Board which are not committed to the superintendent or by them expressly delegated to him.

Superintendent —

Preamble — The Superintendent shall serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and supportive services. The Superintendent shall pro-

vide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its Commissioner, and the Board or Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendent, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.

2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.

3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.

4. He shall be responsible for the Selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school board and the State Board and see that the same are suitably distributed to the school, accurately accounted for and economically used.

5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools in accordance with School Board policy.

6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds

will be accounted for in accordance with local school board policy, and local and state law.

7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board regulations.

8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.

9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.

10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.

11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.

12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.

13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.

14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.

15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education.

Principals —

1. The school principal shall be responsible for the internal organizational structure of the school, the programs of the school, the governance of the student body, the utilization of technology and the utilization of the plant in accordance with local school board policy and/or as directed by the superintendent of schools.

2. The school principal shall evaluate and make recommendations to the superintendent concerning candidates for professional and non-professional positions within the school administrative unit in accordance with local school board policy and/or as directed by the superintendent of schools.

3. The school principal shall assign, direct, and evaluate all personnel employed within the school administrative unit in accordance with local school board policy, administrative regulations, and as directed by the superintendent of schools.

4. The school principal shall perform any other duties assigned by the superintendent of schools in accordance with local school board policy, state statutes and regulations of the State Board of Education.

Respectfully submitted,

BERNARD J. ELLIS
Superintendent of Schools

REPORT OF THE PRINCIPAL

Londonderry Central School

To the citizens of Londonderry, I hereby submit my annual report as Principal of the Londonderry Central School.

I would like to take this opportunity to thank you parents of the pupils in our second year program who were housed in the basement of St. Jude's Church for their patience and understanding during a very trying year. Although the programs through necessity were limited, the youngsters' education was not lacking due to the diligent efforts of the classroom teachers, Mr. Phil Yeaton and Mrs. Marion Landry.

Many thanks to Mrs. Marion Paton and the hot lunch people who provided excellent hot lunches throughout the school year under difficult conditions.

I wish to express my appreciation to the Londonderry School Board for the foresight in choosing Mr. Charles Stortstrom, Vice-Principal, without whose help we could not have achieved the many goals we had set for the 1971-1972 school year.

As I reflect back over this past year through the maze of increased school enrollment (85 students), a new building program, cross bussing and attempting to balance class enrollment, I find many good educational programs worthy of mention.

1. Our commitment initiated last year to individualized instruction built around a philosophy of continuous education has proceeded from concept to practice. Understandably, continual evaluation of our programs will be an on-going process; without the capability to be flexible in pursuing educational innovations, the school system will begin to become stagnant.
2. Considerable effort has been given to the new Junior High curriculum and will continue during

the summer months with teachers participating in a workshop under the direction of Mr. Tom Wolpert, Bridgewater State College.

3. In an effort to build better communication between parents and school, a number of changes have been incorporated in our format of reporting pupil progress. This came about through a number of informal meetings held with parents who indicated a need to better understand academic groupings, learning levels, the readiness program and how they relate to the overall school curriculum.
4. We have expanded our Outdoor Education classes in our sixth year program from a coordinated nature learning laboratory to include survival techniques along with an integrated academic curriculum.
5. A great deal of interest and enthusiasm has been expressed in the addition of our expanded Athletic Physical Education Program with the addition of varsity soccer, track and field and gymnastics, along with two life-time sports, skiing and golf.

As an educational leader in your community, I feel the people of Londonderry should be proud of their school system and its professional staff. The quality of education that exists could not have been reached or maintained without the sincere cooperation of all concerned. Together we will continue the never-ending search for a better learning process suited to tomorrow's needs.

Respectfully submitted,

ROBERT J. SHEA

REPORT OF THE PRINCIPAL

North Londonderry School

June 1972

This past school year was another rewarding one for all of us at North School. In September we opened with an enrollment of 425 students and terminated in June with 456. This in itself indicates growth. However, in September 1969 we had 251 students which is almost half of the closing enrollment of this school year. North School has almost doubled in student population during the last three years.

Many of the programs and activities of this past year focused on the individual child. A system of identification levels for each student's placement was used extensively. This enables the parents to recognize the achievement and progress placement of their child. Progress and promotion from one level to the next is possible at almost any time during the school year. Therefore, each student is able to progress at his own pace. Such a program eliminates frustrations and anxieties since each student is placed where he should function at his best. Periodic parent-conferences are held to discuss each child's progress.

Our student-teacher program expanded again this past year whereby, we had student teachers at our school through the school year. Keene State College, Notre Dame College and Rivier College sent a total of 14 students during the school year. Although these gave additional work to the cooperating teachers, they were very useful in the classroom, since many intermediate classes had over 34 students.

Our special education program was reorganized under the direction of Mrs. Julie Mulloy. Many activities and ideas focusing on a more vocational nature were undertaken. Many students from this class also went to regular classrooms for more academic programs.

Another major accomplishment was the extension of our Speech Therapy program. Mrs. Gail Kenny and Mrs. Judy Reed spent more than a day and a half per week servicing our students.

Our intermediate grades in Londonderry have been in an open concept program at this school for the past three years. In evaluating this innovative program in Londonderry we find that students develop a more positive attitude towards each other as well as towards school.

Academically, the student achievement results from Science Research Associates indicate that our students do as well as students involved in more traditional programs.

The progress achieved at North Londonderry is due to everyone associated with this school. I am especially grateful to all of the professional staff for their outstanding cooperation. I am also grateful to the school librarian, Mrs. Lamson, the teachers aides, Mrs. Roberta Jaffrey, Mrs. Amy Gaesser and Miss Mary Giguere, the custodians, Gerald Martin and Eugene Marcotte and to the entire kitchen staff. A very special gratitude to Mrs. Rita Demers, School Secretary.

I am further grateful to Mr. Ellis, Superintendent and Mr. Larkin, Business Manager for their support and encouragement.

The staff and I wish to thank the Londonderry School Board and the citizens of this community for their thoughtfulness and cooperation in providing a quality education to all youngsters in Londonderry.

Respectfully submitted,

DONALD JOBIN
Principal

REPORT OF THE READING CONSULTANT

As another school year comes to an end, it is wise to look both backward and forward. An evaluation of the past provides justification for the targets of the future.

This has been a good year in Londonderry. While no drastic changes were attempted, much has been done to improve our work toward individualization of instruction. More activity centered materials have been added. More alternate routes to specific goals have become available. Attempts have been made to evaluate, refine and strengthen the programs now in progress.

Intensive thinking, planning and preparations have been underway all year for the changes that will come with the opening of the new building in September. The division of the intermediate unit and the establishment of a broader junior high curriculum will require the modification of present practice and adaptation to the new for teachers, students and parents.

Changing from a graded grammar school program to a broader functional junior high program is a tremendous task. This is like the metamorphosis of an insect from a caterpillar to a butterfly. The end results will be equally as exciting and beautiful for all. However, successful change requires not only hard work — the support of everyone is necessary for the goals to be realized. Hopefully, everyone will become very familiar with the new program as well as the building. While methodology and curriculum change the goals of education remain relatively constant.

It has been said that civilization's development or change over the past twenty centuries can be blocked into four equal units. The first is from the year one to 1740, the second from 1740 to 1940, the third from 1940 to 1960 and the last from 1960 to 1970. If this is even reasonably accurate, a ten year old child has witnessed

changes equivalent to that which his parents witnessed during the previous twenty years. The periods between 1740 and 1940 included the movement from an agricultural society through the industrial era to the technical age.

If this momentum is maintained, it will require the intensive energies and abilities of home and school for education to begin to equip a child for a lifetime of what will be continuous intensive learning. Learning is no longer the transmission of the culture from one generation to the next. Schools must develop skills and thinking ability which will enable the student to cope with whatever problems he encounters in the presently unconceivable world of tomorrow. Be it good or bad, it is presently an uncontrollable reality.

Building a new school and curriculum to meet the future is the challenge for this school district. We will make mistakes, but let them be new mistakes made in the attempt to improve learning opportunities rather than the ones that have been repeatedly made. A common question of today is "Are our schools ready for the Sesame Street children?" I personally am not sure but we have no choice.

As I leave Londonderry to work on the national Right To Read project, I feel that this school district has certainly established its own local project that is as intensive as those being guided by the national advisors. Do not relax, but continue to provide quality education whenever possible.

May I thank the school committee, administrators, teachers and staff for their continuous cooperation and support. Most important is my appreciation to parents and children for the opportunity to work with them. It is because of them and for them that we are here.

Respectfully submitted,
PHILIP S. YEATON
Reading Consultant

REPORT OF THE GUIDANCE COUNSELOR

To the Superintendent of Schools and members of the School Board:

When I came to this position in January, 1972, it seemed that the strength and success of a future program in guidance and counseling would depend upon a strong foundation of good public and personal regard for such a program. Therefore, my primary objectives were 1) to establish good public relations with community agencies and any outside resource persons which could cooperate closely with the schools; 2) to cultivate positive, accepting, even enthusiastic responses toward counseling among school personnel, especially teachers, for maximum cooperation and understanding; 3) to translate guidance and counseling for parents that their efforts and mine would be cooperative and supportive; and 4) to translate guidance and counseling for students with the end of encouraging self-referrals.

During these months, I counseled directly 94 students, had 19 parent conferences and 18 scheduled meetings with teachers. (Most meetings with individual teachers occur spontaneously regarding a child who may benefit from counseling.) Of the parent conferences, six were home visits.

During the summer, counseling sessions were held weekly. Contacts were continued with six children and their families.

Briefly, the role of the counselor in the school is three-fold: counseling and consulting with students, teachers, parents, and administrators; coordinating school and community resources for the benefit of the child; and working with members of the school staff as well as with a team which provides pupil personnel services, i.e., school nurse, speech therapist, reading specialist, learning disabilities consultant.

I take this opportunity to thank Mr. Ellis, the Londonderry Principals, and members of the School Board for many types of support to me and to this program.

Respectfully submitted.

TERRY MARCOPLOS,
Guidance Counselor

SCHOOL HEALTH REPORT

September 1971 — June 1972

Reported Communicable Diseases:

Chicken pox	79	Strep Throat	8
Measles	3	Impetigo	4
Scarlet Fever	4	Whooping Cough	
Mumps	7	German Measles	6
Physical Exams	87	Defects found	54
Vision tests	1150	Defects found	26
Hearing tests	979		

Recorded First Aid Treatments

Central School	905
North School	536

Dr. Ronald Gagne was appointed to serve as the Londonderry School Physician. All students who participate in interscholastic sports were given physical examinations.

The Londonderry Lions Club donated to our school health department a Vasc Speech Audiometer and six additional slides for the Titmus Vision Screening Machine. Our Pre-school Vision and Hearing Clinic was sponsored by the Lions Club again this year. A total of 153 children ages 4 to 6 were screened for vision and hearing defects.

Children who were six years old by December 31, 1972 were registered for first grade.

The Newcomers Club purchased equipment and vaccines for testing for tuberculosis. The T.B. Association no longer offers this service to the schools.

Students in grade one were tested for tuberculosis positive reactors were found.

The Dental Clinic which is sponsored by the American Legion had a very successful year. 505 students took part in this program. Mrs. Barbara Coish, R.D.H. was our dental hygienist.

In July 1971 at the last legislative session R.S.A. 200:-38 "Control and Prevention of Communicable Disease" was passed.

This states "All children shall be immunized prior to school entrance according to the current recommenda-

tions of the State Public Health Agency." The immunizations which must be completed are:

1. Measles Vaccine (live-attenuated) (Having had measles is acceptable, when verified by a physician.)
2. Oral Trivalent Polio Vaccine (Sabin)
3. Diphtheria, Pertussis, and Tetanus (DPT) (Adult type DT when over 6 years of age.)
4. Rubella Vaccine.

Routine smallpox vaccination is not recommended. Other vaccinations are optional.

Because of these additional requirements for school entrance, we held a series of three immunization clinics. These were held in April, May and June at the Firemen's Hall. Dr. Gagne was our attending physician. Volunteers staffed the clinics and community response was great. A total of 482 children received immunizations of these 160 were pre-schoolers and 322 school age children.

This has been an exceptionally busy year. Many of the things that were accomplished this year could not have been even considered without the community's interest and support.

My sincere thanks to the American Legion, Londonderry Lions Club and the Newcomers Club.

One of the most important phases of the health program is screening for defects which may impair educational achievement, social and emotional adjustments. Physical defects, abnormalities in development, emotional disturbances and diseases that have not yet shown outward signs maybe discovered and treated. This facilitates the over-all planning for the child's educational program.

I wish to express my thanks to the superintendent, principals, teachers and parents for their cooperation.

Respectfully submitted,

CLAIRE HUNTER, R.N.
Londonderry School Nurse

TITLE I SPEECH THERAPY PROGRAM

Supervisory Union No. 10

To the Superintendents of Schools and members of the School Boards:

Federally funded through Title I ESEA, in 1971-72, two full time speech therapists, Mrs. Gail Kenney and Mrs. Judith Reed, and two part time therapists, Mrs. Deborah Gratton and Mrs. Claudia Walter, were employed to serve the towns of Derry, Londonderry, Auburn, Chester, and Windham. Approximately 200 children were seen for the therapy. A four week summer speech clinic was held in July and August. This was established to aid children who needed more intensive therapy, and to give entering first grade children a head start.

In the fall all third graders were screened. Referrals from staff and parents were also tested and the need for therapy determined. Identification of speech problems in the area of voice, articulation, hearing loss, auditory perception, stuttering and language development were made.

Orientation meetings for all parents were held in the fall to disseminate information regarding the Speech Therapy Program and the enrollment of their children. Follow up information was periodically sent home.

In the spring, all incoming first graders were tested for speech problems. It is hoped that early identification will aid these children in better adjustment to their first year in school.

Language stimulation activities were conducted in the elementary Special Education Classes one hour per week. The children gained confidence in speaking situations and skill in handling language constructs.

The speech therapists attended several professional meetings during the year. At the University of N. H., a

workshop on "Stuttering" and one on "Language" were attended. Another workshop on "Materials for the Handicapped" was conducted by the "Pioneers" in Andover, Mass. Visits to Crotched Mountain and U.N.H. Speech Clinic were informative. The therapist coordinator was invited to lecture to a speech pathology class at the University of N. H.

A Title I Advisory Board for parents involved in the Speech Program was established.

I wish to thank the Superintendent of Schools, his staff, the School Boards, principals, teachers and staffs in all schools for their cooperation and participation in the program. Special thanks go to Kathy Copp, secretary for the Speech Therapy Program, for all her help.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

**SUMMARY OF FINDINGS
AND RECOMMENDATIONS**

The School Board
Londonderry School District
Londonderry, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Londonderry School District for the fiscal year ended June 30, 1972, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer and the School Lunch Program.

Financial Information

Comparative Balance Sheets — General Fund: (Exhibit A-1)

Comparative Balance Sheets which disclosed the financial condition of the general fund as of June 30, 1971 and June 30, 1972, are presented in Exhibit A-1. As indicated therein, the Net Debt of the District increased by \$1,502,122.39, from \$626,139.53 to \$2,128,261.92, during the fiscal year ended June 30, 1972.

Analysis of Change in Financial Condition — General Fund: (Exhibit A-2)

An analysis of the change in financial condition of the School District general fund during the fiscal year is

made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Increases in Net Debt:

Surplus Used to Reduce Taxes	\$ 3,385.85	
Bonds Issued During Year	1,600,000.00	
		<hr/>
		\$1,603,385.85

Decreases in Net Debt:

Bonds Paid During Year	\$ 60,000.00	
Net Budget Surplus	41,263.46	
		<hr/>
		101,263.46

Net Increase		<hr/> <hr/>
		\$1,502,122.39

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1972, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), an unexpended balance of appropriations of \$158,127.80, less a revenue deficit of \$116,864.34, resulted in a net budget surplus of \$41,263.46.

Comparative Balance Sheets — Capital Projects Funds: (Exhibits A-5 and A-6)

Comparative Balance Sheets wherein is disclosed the financial condition of the Capital Projects Funds as of

June 30, 1971 and June 30, 1972 are presented in Exhibit A-5. Unexpended balances of capital projects funds amounted to \$585,856.07 at June 30, 1972, and consisted of \$181,303.81 in cash and \$402,522.26 in Certificates of Deposit.

Treasurer

Summary Statement of Receipts and Expenditures — General Fund: (Exhibit B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended June 30, 1972, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1972, is included in Exhibit B-2.

Building Funds — North Londonderry School Building Fund: (Exhibit B-3); High School Building Fund: (Exhibit B-4)

The activity in the above Building Funds during the fiscal year is disclosed in Exhibits B-3 and B-4.

School Lunch Program (Exhibit C)

A statement of the school lunch program account is included in Exhibit C.

School Tax: (Exhibit D)

Exhibit D presents a statement of the School District tax account with the Town of Londonderry. As indicated therein, at June 30, 1972, the School District had received from the Town the total of 1971-72 School Tax of \$1,094,399.75. However, it is noted that a balance of \$52.32 is due the School District from the Town of Londonderry on account of the 1969-70 School Tax.

Bonded Indebtedness: (Exhibit E)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1972, showing annual debt service requirements is contained in Exhibit

E. As indicated therein, the bonded debt of the District at June 30, 1972 totaled \$2,185,000.00.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$37,877.61, from \$18,860.47 to \$56,738.08, during the fiscal year ended June 30, 1972, as shown herewith:

	June 30, 1971	June 30, 1972
Total Assets	\$31,981.57	\$75,703.76
Current Liabilities	13,121.10	18,965.68
	<hr/>	<hr/>
Current Surplus	\$18,860.47	\$56,738.08
	<hr/>	<hr/>

Appropriations Not Required — \$129,935.00: (Exhibit A-4)

Included in the 1971-72 appropriations voted by the School District meeting were budgetary estimates totaling \$129,935.00 for operating costs of a proposed new school building. However, due to a number of factors this building was not ready for occupancy during the fiscal year 1971-72. Consequently, the amounts appropriated for the preceding purposes were not required. This matter was brought to the attention of the Tax Commission by your Board prior to the approval of the 1971-72 school tax assessment levied against the Town of Londonderry.

In response to a request made by your Board on September 7, 1972, the Tax Commission, acting under authority provided by R.S.A. 41:15, increased the estimated revenue credits in the approved 1971-72 School District budget by the above stated amount. This adjustment lowered the school tax assessment to the sum necessary to meet the balance of appropriations actually required for the operation of the School District during the fiscal year ended June 30, 1972; thus, the tax payers of the Town of

Londonderry were not obliged to raise taxes for purposes not required.

Special School Lunch Program Audit:

It was noted that a special audit of the accounts of the School Lunch Program covering the period July 1, 1971 to April 30, 1972 was conducted by an independent auditor. The Division of Municipal Accounting of the State Tax Commission is the auditor of record by a vote of the School District and consequently should conduct any audit required by the School District during the course of a fiscal year.

Conclusion:

In accordance with the provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated, the auditors summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the District. Publication of the exhibits included in this report is optional, at the discretion of the School Board.

We extend our thanks to the officials of the Londonderry School District for their assistance during the course of the audit.

Very truly yours,

FREDERICK E. LAPLANTE

Director

Division of Municipal Accounting
State Tax Commission

LONDONDERRY SCHOOL DISTRICT

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Londonderry School District for the fiscal year ended June 30, 1972.

Our examination included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1972, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

FREDERICK E. LEPLANTE

Director

Division of Municipal Accounting
State Tax Commission
